PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 7, 2019

INFORMATION ABOUT THE ANNUAL MEETING

General

Your proxy is solicited on behalf of the Board of Directors (which we refer to as our “Board”) of Atomera Incorporated, a Delaware corporation (which we refer to as “Atomera,” “we,” “us,” “our,” or the “Company”), for use at our 2019 Annual Meeting of Stockholders (which we refer to as the “Annual Meeting”) to be held on Tuesday, May 7, 2019, at 11:00 a.m. local time, at our headquarters, located at 750 University Avenue, Suite 280, Los Gatos, California, 95032, or at any continuation, postponement or adjournment thereof, for the purposes discussed in this Proxy Statement and in the accompanying Notice of Annual Meeting. Proxies are solicited to give all stockholders of record an opportunity to vote on matters properly presented at the Annual Meeting.

We intend to mail this Proxy Statement, the proxy card and the Notice of Annual Meeting on or about April 8, 2019 to all stockholders of record entitled to vote at the Annual Meeting.

Who Can Vote, Outstanding Shares

Record holders of our common stock as of the close of business on April 1, 2019, the record date for the Annual Meeting, are entitled to vote at the Annual Meeting on all matters to be voted upon. As of the record date, there were 15,331,503 shares of our common stock outstanding, each entitled to one vote.

Voting of Shares

You may vote by attending the Annual Meeting and voting in person or you may vote by submitting a proxy. The method of voting by proxy differs for shares held as a record holder and shares held in “street name.” If you hold your shares of common stock as a record holder, you may vote your shares over the Internet by following the instructions on the proxy card delivered to you or by completing, dating and signing the proxy card and promptly returning the proxy card via mail or facsimile. If you hold your shares of common stock in street name, which means that your shares are held of record by a broker, bank or other nominee, you will receive a notice from your broker, bank or other nominee that includes instructions on how to vote your shares.

If you are a stockholder of record, you may vote your shares as follows:

- To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.
- To vote through the Internet, go to twww.voteproxy.com complete an electronic proxy card. You will be asked to provide the company number and control number from the proxy card delivered to you. Your Internet vote must be received by 11:59 p.m., Eastern Time on May 6, 2019 to be counted.
- To vote using the proxy card delivered to you, simply complete, sign, and date the proxy card and return it promptly in the envelope provided or fax it to. (718) 765-8730 If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

YOUR VOTE IS VERY IMPORTANT. You should submit your proxy even if you plan to attend the Annual Meeting. If you properly give your proxy and submit it to us in time to vote, one of the individuals named as your proxy will vote your shares as you have directed. Any stockholder attending the Annual Meeting may vote in person even if he or she previously submitted a proxy.

All shares entitled to vote and represented by properly submitted proxies (including those submitted electronically and in writing) received before the polls are closed at the Annual Meeting, and not revoked or superseded, will be voted at the Annual Meeting in accordance with the instructions indicated on those proxies. If no direction is indicated on a proxy, your shares will be voted as follows:

- **FOR** each of the six (6) nominees for director named in the Proxy Statement and
- **FOR** the ratification of the appointment of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019.

With respect to any other matter that properly comes before the Annual Meeting or any continuation, postponement or adjournment thereof, the proxy-holders will vote as recommended by our Board, or if no recommendation is given, in their own discretion.

Revocation of Proxy

If you are a stockholder of record, you may revoke your proxy at any time before your proxy is voted at the Annual Meeting by taking any of the following actions:

- delivering to our corporate secretary a signed written notice of revocation, bearing a date later than the date of the proxy, stating that the proxy is revoked;
- signing and delivering a new proxy card, relating to the same shares and bearing a later date than the original proxy card;
- submitting another proxy over the Internet (your latest Internet voting instructions are followed); or
- attending the Annual Meeting and voting in person, although attendance at the Annual Meeting will not, by itself, revoke a proxy.

Written notices of revocation and other communications with respect to the revocation of Company proxies should be addressed to:

Atomera Incorporated
750 University Avenue, Suite 280
Los Gatos, California 95032
Attention: Corporate Secretary

If your shares are held in “street name,” you may change your vote by submitting new voting instructions to your broker, bank or other nominee. You must contact your broker, bank or other nominee to find out how to do so. See below regarding how to vote in person if your shares are held in street name.

Voting in Person

If you plan to attend the Annual Meeting and wish to vote in person, you will be given a ballot at the Annual Meeting. Please note, however, that if your shares are held in “street name,” which means your shares are held of record by a broker, bank or other nominee, and you wish to vote at the Annual Meeting, you must bring to the Annual Meeting a legal proxy from the record holder of the shares, which is the broker or other nominee, authorizing you to vote at the Annual Meeting.

Stockholders who wish to attend the Annual Meeting will be required to present verification of ownership of our common stock, such as a bank or brokerage firm account statement, and will be required to present a valid government-issued picture identification, such as a driver’s license or passport, to gain admittance to the Annual Meeting. No cameras, recording equipment, electronic devices, large bags, briefcases or packages will be permitted in the Annual Meeting.

Quorum and Votes Required

The inspector of elections appointed for the Annual Meeting will tabulate votes cast by proxy or in person at the Annual Meeting. The inspector of elections will also determine whether a quorum is present. In order to constitute a quorum for the conduct of business at the Annual Meeting, a majority in voting power of all of the shares of the stock entitled to vote at the Annual Meeting must be present in person or represented by proxy at the Annual Meeting. Shares that abstain from voting on any proposal, or that are represented by broker non-votes (as discussed below), will be treated as shares that are present and entitled to vote at the Annual Meeting for purposes of determining whether a quorum is present.

A broker non-vote occurs when a broker, bank or other agent holding shares for a beneficial owner has not received instructions from the beneficial owner and does not have discretionary authority to vote the shares for certain non-routine matters.

Shares represented by proxies that reflect a broker non-vote will be counted for purposes of determining the presence of a quorum. The election of directors (Proposal 1) is considered a non-routine matter and broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote. The ratification of the appointment of Marcum LLP as our independent registered public accounting firm (Proposal 2) is considered a routine matter on which a broker, bank or other agent has discretionary authority to vote, so there are not expected to be any broker non-votes in connection with this proposal.

Proposal No. 1: Election of Directors. A plurality of the votes cast by the holders of shares entitled to vote in the election of directors at the Annual Meeting is required for the election of directors. Accordingly, the six (6) director nominees receiving the highest number of votes will be elected. Abstentions and broker non-votes are not treated as votes cast and, therefore, will not have any effect on the outcome of the election of directors.

Proposal No. 2: Ratification of Independent Registered Public Accounting Firm. The affirmative vote of the holders of a majority of the votes cast and entitled to vote at the Annual Meeting is required for the ratification of the appointment of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019. Abstentions will not be counted either for or against this proposal. Brokers generally have discretionary authority to vote on the ratification of our independent registered public accounting firm and, therefore, broker non-votes are generally not expected to result from the vote on Proposal No. 2. However, in the event of any broker non-votes or abstentions in connection with Proposal No. 2, such broker non-votes and abstentions will be counted as not present and these shares will be deducted from the total shares of which a majority is required.

We will also consider any other business that properly comes before the Annual Meeting, or any adjournment or postponement thereof. As of the record date, we are not aware of any other matters to be submitted for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, the persons named on the enclosed proxy card will vote the shares as recommended by our Board, or if no recommendation is given, in their own discretion.

Solicitation of Proxies

Our Board is soliciting proxies for the Annual Meeting from our stockholders. We will bear the entire cost of soliciting proxies from our stockholders. In addition to the solicitation of proxies by delivery of the Notice or this Proxy Statement by mail, we will request that brokers, banks and other nominees that hold shares of our common stock, which are beneficially owned by our stockholders, send Notices, proxies and proxy materials to those beneficial owners and secure those beneficial owners' voting instructions. We will reimburse those record holders for their reasonable expenses. We do not intend to hire a proxy solicitor to assist in the solicitation of proxies. We may use several of our regular employees, who will not be specially compensated, to solicit proxies from our stockholders, either personally or by Internet, facsimile or special delivery letter.

Stockholder List

A list of stockholders eligible to vote at the Annual Meeting will be available for inspection, for any purpose germane to the Annual Meeting, at the principal executive office of the Company during regular business hours for a period of no less than ten (10) days prior to the Annual Meeting.

Forward-Looking Statements

This Proxy Statement contains "forward-looking statements" (as defined in the Private Securities Litigation Reform Act of 1995). These statements are based on our current expectations and involve risks and uncertainties, which may cause results to differ materially from those set forth in the statements. The forward-looking statements may include statements regarding actions to be taken by us. We undertake no obligation to publicly update any forward-looking statement, whether as a result of new information, future events or otherwise. Forward-looking statements should be evaluated together with the many uncertainties that affect our business, particularly those mentioned in the risk factors in Item 1A of our 2018 Annual Report on Form 10-K and in our Quarterly Reports on Form 10-Q and our Current Reports on Form 8-K.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Board Nominees

Our Board currently consists of six (6) members, four (4) of whom are independent under the listing standards for independence of the NASDAQ and Rule 10A-3 under the Securities Exchange Act of 1934, as amended (which we refer to as the “Exchange Act”). Based upon the recommendation of the Nominating and Corporate Governance Committee of our Board, our Board determined to nominate each of the Company’s current directors for re-election at the Annual Meeting.

Our Board and the Nominating and Corporate Governance Committee believe the directors nominated collectively have the experience, qualifications, attributes and skills to effectively oversee the management of the Company, including a high degree of personal and professional integrity, an ability to exercise sound business judgment on a broad range of issues, sufficient experience and background to have an appreciation of the issues facing the Company, a willingness to devote the necessary time to Board duties, a commitment to representing the best interests of the Company and our stockholders and a dedication to enhancing stockholder value.

Each director elected at the Annual Meeting will serve a one (1) year term until the Company’s next annual meeting and until his successor is duly elected and qualified or until his or her earlier death, resignation or removal. Unless otherwise instructed, the proxy-holders will vote the proxies received by them for the six (6) nominees named below. If any of the nominees is unable, or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee designated by the present Board to fill the vacancy. It is not presently expected that any of the nominees named below will be unable or will decline to serve as a director. If additional persons are nominated for election as directors, the proxy-holders intend to vote all proxies received by them in a manner to assure the election of as many of the nominees listed below as possible. In such event, the specific nominees to be voted for will be determined by the proxy-holders.

A director elected by our Board to fill a vacancy will serve until the next annual meeting of stockholders and until such director's successor is elected and qualified, or until such director's earlier retirement, resignation, disqualification, removal or death.

If any nominee should become unavailable for election prior to the Annual Meeting, an event that currently is not anticipated by our Board, the proxies will be voted in favor of the election of a substitute nominee or nominees proposed by our Board. CORPORATE GOVERNANCE

Board Composition

Our Board may establish the authorized number of directors from time to time by resolution. Our Board currently consists of six (6) authorized members. During the year ended December 31, 2018, our Board met nine (9) times and acted by unanimous written consent once. Our Board does not have a policy regarding Board members' attendance at meetings of our stockholders, however, our entire Board attended our prior year's annual meeting of stockholders. All directors attended at least 75% of all meetings of the Board during the year ended December 31, 2018.

Generally, under the listing requirements and rules of the Nasdaq Stock Market, independent directors must comprise a majority of a listed company's board of directors. Our Board has undertaken a review of its composition, the composition of its committees and the independence of each director. Our Board has determined that, other than Mr. Bibaud and Mr. Trautmann, by virtue of their executive officer positions, none of our director nominees has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each is "independent" as that term is defined under the applicable rules and regulations of the SEC and the listing requirements and rules of the Nasdaq Stock Market. In making this determination, our Board considered the current and prior relationships that each nonemployee director nominee has with our Company and all other facts and circumstances our Board deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each nonemployee director nominee. Accordingly, a majority of our directors are independent, as required under applicable Nasdaq Stock Market rules, as of the date of this Proxy Statement.

Committees of the Board of Directors

Our Board has established an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. Our Board may establish other committees to facilitate the management of our business. The composition and functions of each committee are described below. Members serve on these committees until their resignation or until otherwise determined by our Board. Each of our committees operates under a written charter, a copy of which is available at our investor relations website located at <http://ir.atomera.com/>.

Audit Committee

Our Audit Committee consists of Steve Shevick, John Gerber and Rolf Stadheim, with Mr. Shevick serving as chairperson. The composition of our Audit Committee meets the requirements for independence under current Nasdaq Stock Market listing standards and SEC rules and regulations. Each member of our Audit Committee meets the financial literacy requirements of the Nasdaq Stock Market listing standards. Mr. Shevick is an audit committee financial expert within the meaning of Item 407(d) of Regulation S-K under the Securities Act of 1933, as amended, or the Securities Act. Our Audit Committee will, among other things:

- select a qualified firm to serve as the independent registered public accounting firm to audit our financial statements;
- discuss the scope and results of the audit with the independent registered public accounting firm, and review, with management and the independent registered public accounting firm, our interim and year-end operating results;
- develop procedures for employees to submit concerns anonymously about questionable accounting or audit matters;
- review our policies on risk assessment and risk management;
- review related-party transactions; and
- approve (or, as permitted, pre-approve) all audit and all permissible non-audit services, other than de minimis non-audit services, to be performed by the independent registered public accounting firm.

Our Audit Committee operates under a written charter that satisfies the applicable rules of the SEC and the listing standards of the Nasdaq Stock Market. During the year ended December 31, 2018, our Audit Committee met six (6) times.

Compensation Committee

Our Compensation Committee consists of C. Rinn Cleavelin, John Gerber and Rolf Stadheim, with Dr. Cleavelin serving as Chairperson. The composition of our Compensation Committee meets the requirements for independence under the Nasdaq Stock Market listing standards and SEC rules and regulations. Each member of the Compensation Committee is also a nonemployee director, as defined pursuant to Rule 16b-3 promulgated under the Exchange Act, and an outside director, as defined pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Code. The purpose of our Compensation Committee is to discharge the responsibilities of our Board relating to compensation of our executive officers. Our Compensation Committee will, among other things:

- review, approve and determine the compensation of our executive officers;

- administer our stock and equity incentive plans;
- make recommendations to our Board regarding director compensation and the establishment and terms of incentive compensation and equity plans; and
- establish and review general policies relating to compensation and benefits of our employees.

Our chief executive officer may, from time to time, provide input and recommendation to our Compensation Committee concerning the compensation of our other executive officers. Our chief executive officer may also, from time to time, attend Compensation Committee meetings, but he is not present during the Committee's deliberations regarding executive officer compensation. In December 2017, our Compensation Committee engaged Compensia, Inc., a nationally recognized independent compensation consultant, to provide information and advice regarding the design, form and amount of our compensation arrangements. As a result of this engagement, the Compensation Committee developed a three-year plan for executive cash and equity compensation. The consultant did not provide any services to us other than the assistance it provided to the Compensation Committee in December 2017 and during the first quarter of 2018. The Compensation Committee did not re-engage Compensia, Inc. during the 2018 fiscal year due to the fact that Compensia's recommendations resulted in a multi-year plan. However, Compensation Committee expects to engage Compensia or a similar consulting firm for similar services in the future. Compensia reported directly to the Compensation Committee on all work assignments from the Committee. The Compensation Committee assessed the independence of Compensia pursuant to SEC rules and concluded that no conflict of interest exists preventing Compensia from serving as an independent consultant to the Committee. Our Compensation Committee operates under a written charter that satisfies the applicable rules of the SEC and the listing standards of the Nasdaq Stock Market. During the year ended December 31, 2018, our Compensation Committee met nine (9) times.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee consists of Steve Shevick and C. Rinn Cleavelin, with Mr. Shevick acting as chairperson. The composition of our Nominating and Corporate Governance Committee meets the requirements for independence under Nasdaq Stock Market listing standards and SEC rules and regulations. Our Nominating and Corporate Governance Committee will, among other things:

- identify, evaluate and make recommendations to our Board regarding nominees for election to our Board and its committees;
- evaluate the performance of our Board and of individual directors;
- consider and make recommendations to our Board regarding the composition of our Board and its committees;
- review developments in corporate governance practices;
- evaluate the adequacy of our corporate governance practices and reporting; and
- develop and make recommendations to our Board regarding corporate governance guidelines and matters.

When evaluating director candidates, our Nominating and Corporate Governance Committee seeks to ensure that our Board has the requisite skills and experience and that its members consist of persons with appropriately complementary and independent backgrounds. The Nominating and Corporate Governance Committee will consider all aspects of a candidate's qualifications in the context of Atomera's needs, including: semiconductor industry experience, preferably at an executive level; experience in licensing businesses; experience as an officer or director of a public company; independence from management; practical business judgment; personal and professional integrity and ethics; and the ability to commit sufficient time and attention to the activities of the Board, as well as the absence of any potential conflicts with our Company's interests. While we do not have a formal diversity policy, we understand the desirability of having a Board comprised of directors with diverse and varied backgrounds, experience and opinions, and as we look to expand our Board or replace retiring Board members our Nominating and Governance Committee is committed to including candidates with diverse gender and ethnic backgrounds in the search. However, the Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board, the operating requirements of our Company, and the long-term interests of our stockholders.

Our Nominating and Corporate Governance Committee will consider for directorship candidates nominated by third parties, including stockholders. However, at this time, our Nominating and Corporate Governance Committee does not have a policy with regard to the consideration of director candidates recommended by stockholders. The Nominating and Corporate Governance committee believes that it is in the best position to identify, review, evaluate, and select qualified candidates for Board membership, based on the comprehensive criteria for Board membership approved by the Board. For a third party to suggest a candidate, one should provide our corporate secretary, Francis Laurencio, with the name of the candidate, together with a brief biographical sketch and a document indicating the candidate's willingness to serve if elected.

The Nominating and Corporate Governance Committee operates under a written charter that satisfies the applicable listing requirements and rules of the Nasdaq Stock Market. During the year ended December 31, 2018, our Nominating and Corporate Governance Committee met three (3) times.

Board Leadership Structure and Role in Risk Oversight

John Gerber serves as our chairman of the Board and Scott Bibaud serves as our president and chief executive officer. We have neither adopted a formal policy on whether the chairman and chief executive officer positions should be separate or combined nor do we have a lead director. We believe that, given the small size of our Board and establishment of separate Audit, Compensation Nominating and Corporate Governance Committees consisting of independent directors, our present Board structure is in the best interest of us and our stockholders. Our Board has an active role in overseeing our areas of risk. While the full Board has overall responsibility for risk oversight, the Board has assigned certain areas of risk primarily to designated committees, which report back to the full Board.

Process for Stockholders to Send Communications to our Board of Directors

Because we have always maintained open channels of communication with our stockholders, we do not have a formal policy that provides a process for stockholders to send communications to our Board. However, if a stockholder would like to send a communication to our Board, please address the letter to the attention of our corporate secretary, Francis Laurencio, and it will be distributed to each director.

Compensation Committee Interlocks and Insider Participation

None of our independent directors, John Gerber, C. Rinn Cleavelin, Rolf Stadheim or Steve Shevick, is currently or has been at any time one of our officers or employees. None of our executive officers currently serves, or has served during the last year, as a member of the board or compensation committee of any entity that has one or more executive officers serving as a member of our Board.

Code of Conduct

We have adopted a code of conduct for all employees, including the chief executive officer, principal financial officer and principal accounting officer or controller, and/or persons performing similar functions, which is available on our website, under the link <http://ir.atomera.com/corporate-governance>.

Limitation of Liability of Directors and Indemnification of Directors and Officers

The Delaware General Corporation Law provides that corporations may include a provision in their certificate of incorporation relieving directors of monetary liability for breach of their fiduciary duty as directors, provided that such provision shall not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for unlawful payment of a dividend or unlawful stock purchase or redemption, or (iv) for any transaction from which the director derived an improper personal benefit. Our certificate of incorporation provides that directors are not liable to us or our stockholders for monetary damages for breach of their fiduciary duty as directors to the fullest extent permitted by Delaware law. In addition to the foregoing, our bylaws provide that we may indemnify directors, officers, employees or agents to the fullest extent permitted by law and we have agreed to provide such indemnification to each of our directors.

The above provisions in our certificate of incorporation and bylaws and in the written indemnity agreements may have the effect of reducing the likelihood of derivative litigation against directors and may discourage or deter stockholders or management from bringing a lawsuit against directors for breach of their fiduciary duty, even though such an action, if successful, might otherwise have benefited us and our stockholders. However, we believe that the foregoing provisions are necessary to attract and retain qualified persons as directors.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

PROPOSAL NO. 2

**RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed Marcum LLP (which we refer to as “Marcum”) as our independent registered public accounting firm for the year ending December 31, 2019, and our Board has directed that management submit the appointment of Marcum as our independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. A representative of Marcum is expected to be available at the Annual Meeting telephonically and will have an opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

Stockholder ratification of the selection of Marcum as our independent registered public accountants is not required by our Bylaws or otherwise. However, our Board is submitting the appointment of Marcum to the stockholders for ratification as a matter of corporate practice. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain Marcum. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accountant at any time during the year if the Audit Committee determines that such a change would be in the Company’s and our stockholders’ best interests.

Board Recommendation

**OUR BOARD RECOMMENDS A VOTE “FOR” THE RATIFICATION OF MARCUM LLP

Pre-Approval Policies and Procedures

The Audit Committee has responsibility for selecting, appointing, evaluating, compensating, retaining and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established policies and procedures in its charter regarding pre-approval of any audit and non-audit service provided to the Company by the independent registered public accounting firm and the fees and terms thereof.

The Audit Committee considered the compatibility of the provision of other services by its registered public accountant with the maintenance of their independence. The Audit Committee approved all audit services provided by Marcum in 2018 and 2017. Marcum LLP did not perform any non-audit services in 2018 or 2017.

Audit Committee Report

The Audit Committee issued the following report for inclusion in this Proxy Statement and our 2018 Annual Report:

- The Audit Committee has reviewed and discussed the audited consolidated financial statements for the year ended December 31, 2018 with management of Atomera Incorporated and with Atomera Incorporated's independent registered public accounting firm, Marcum LLP.
- The Audit Committee has discussed with Marcum LLP those matters required by Statement on Auditing Standards No. 1301, "Communications with Audit Committee," as adopted by the Public Company Accounting Oversight Board ("PCAOB").
- The Audit Committee has received and reviewed the written disclosures and the letter from Marcum LLP required by the PCAOB regarding Marcum LLP's communications with the Audit Committee concerning the accountant's independence and has discussed with Marcum LLP its independence from Atomera Incorporated and its management.

Based on the review and discussions referenced to in paragraphs 1 through 3 above, the Audit Committee recommended to our Board that the audited financial statements for the year ended December 31, 2018 be included in the Annual Report on Form 10-K for that year for filing with the SEC.

**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT
AND RELATED STOCKHOLDER MATTERS**

The following table sets forth certain information regarding the beneficial ownership of our common stock as of March 31, 2019 by:

- each person who is known by us to be the beneficial owner of more than five percent (5%) of our issued and outstanding shares of common stock;
- each of our directors, director nominees and executive officers; and
- all directors, director nominees and executive officers as a group.

The beneficial ownership of each person was calculated based on 15,331,500 common shares issued and outstanding as of March 31, 2019. The SEC has defined “beneficial ownership” to mean more than ownership in the usual sense. For example, a person has beneficial ownership of a share not only if he owns it, but also if he has the power (solely or shared) to vote, sell or otherwise dispose of the share. Beneficial ownership also includes the number of shares that a person has the right to acquire within 60 days, pursuant to the exercise of options or warrants or the conversion of notes, debentures or other indebtedness. Two or more persons might count as beneficial owners of the same share. Unless otherwise indicated, the address for each reporting person is 750 University Avenue, Suite 280, Los Gatos, California 95032.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Related Party Transactions, Promoters and Director Independence

Since January 1, 2017, we have not entered into any transactions where the amount exceeded the lesser of \$120,000 or one percent (1%) of the average of our total assets as of December 31, 2018 and 2017 with any of our directors, officers, beneficial owners of five percent or more of our common shares, any immediate family members of the foregoing or entities of which any of the foregoing are also officers or directors or in which they have a material financial interest, other than:

- the compensatory arrangements with our executive officers and directors described elsewhere in this Proxy Statement;
- In April 2009, we acquired the rights to several US and foreign patents relating to optical communication technologies from our founder, Dr. Robert Mears, and three other co-inventors, none of whom are affiliated with us. The inventions covered by the assigned patents had been developed by Dr. Mears and his co-inventors prior to Dr. Mears's founding of our company's business. Pursuant to the patent assignment agreement, we are required to pay to Dr. Mears and the three other co-inventors 10% each of all revenue derived by us from the assigned patents.

Except as set forth above, we have not entered into any transactions with any of our directors, officers, beneficial owners of five percent or more of our common shares, any immediate family members of the foregoing or entities of which any of the foregoing are also officers or directors or in which they have a material financial interest, other than the compensatory arrangements described elsewhere in this prospectus. We have adopted a policy that any transactions with directors, officers, beneficial owners of five percent or more of our common stock, any immediate family members of the foregoing or entities of which any of the foregoing are also officers or directors or in which they have a financial interest, will only be on terms consistent with industry standards and approved by a majority of the disinterested directors of our Board.

OTHER MATTERS

Section 16(A) Beneficial Ownership Reporting Compliance

Rules adopted by the SEC under Section 16(a) of the Exchange Act require our officers and directors, and persons who own more than 10% of the issued and outstanding shares of our equity securities, to file reports of their ownership, and changes in ownership, of such securities with the SEC on Forms 3, 4 or 5, as appropriate. Such persons are required by the regulations of the SEC to furnish us with copies of all forms they file pursuant to Section 16(a).

Based solely upon a review of Forms 3, 4 and 5 and amendments thereto furnished to us during our most recent fiscal year, and any written representations provided to us, we believe that all of the officers, directors, and owners of more than 10% of the outstanding shares of our common stock complied with Section 16(a) of the Exchange Act for the year ended December 31, 2018.

Stockholder Proposals and Director Nominations for 2018 Annual Meeting

For any proposal, including director nominees, to be considered for inclusion in our proxy statement and form of proxy for submission to the stockholders at our 2019 annual meeting, it must be submitted in writing and comply with the requirements of Rule 14a-8 of the Securities Exchange Act of 1934. Such proposals must be received by the Company at its offices at 750 University Avenue, Suite 280, Los Gatos, California 95032 on or before December 5, 2019. Our Board will review any proposals from eligible stockholders that it receives by that date and will make a determination whether any such proposals will be included in our proxy materials. Any proposal received after that date shall be considered untimely and shall not be made a part of our proxy materials.

A stockholder who wishes to make a proposal at the next annual meeting without including the proposal in our proxy statement must also notify us within a reasonable time before we print and mail the proxy materials. If a stockholder fails to give reasonable advance notice, then the persons named as proxies in the proxies solicited by us for the next annual meeting will have discretionary authority to vote on the proposal.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of banks and brokers with account holders who are our stockholders will be householding our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your bank or broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your bank or broker, direct your written request to Atomera Incorporated, 750 University Avenue, Suite 280, Los Gatos, California 95032, Attention: Investor Relations, or contact Investor Relations by telephone at 408-442-5246; or find our materials posted online at www.atomera.com. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their bank or broker.

We will also consider any other business that properly comes before the annual meeting, or any adjournment or postponement thereof.
