**PROXY STATEMENT**  
**FOR ANNUAL MEETING OF STOCKHOLDERS**  
**TO BE HELD ON MAY 9, 2017**

**INFORMATION ABOUT THE ANNUAL MEETING**

**General**

Your proxy is solicited on behalf of the Board of Directors (which we refer to as our “Board”) of Atomera Incorporated, a Delaware corporation (which we refer to as “we,” “us,” “our,” or the “Company”), for use at our 2017 Annual Meeting of Stockholders (which we refer to as the “Annual Meeting”) to be held on Tuesday, May 9, 2017, at 10:00 a.m. local time, at our headquarters 750 University Avenue, Suite 280, Los Gatos, California, 95032, or at any continuation, postponement or adjournment thereof, for the purposes discussed in this Proxy Statement and in the accompanying Notice of Annual Meeting. Proxies are solicited to give all stockholders of record an opportunity to vote on matters properly presented at the Annual Meeting.

We intend to mail this Proxy Statement, the proxy card and the Notice of Annual Meeting on or about April 12, 2017 to all stockholders of record entitled to vote at the Annual Meeting.

**Who Can Vote, Outstanding Shares**

Record holders of our common stock as of the close of business on April 3, 2017, the record date for the Annual Meeting, are entitled to vote at the Annual Meeting on all matters to be voted upon. As of the record date, there were 12,104,737 shares of our common stock outstanding, each entitled to one vote.

**Voting of Shares**

You may vote by attending the Annual Meeting and voting in person or you may vote by submitting a proxy. The method of voting by proxy differs for shares held as a record holder and shares held in “street name.” If you hold your shares of common stock as a record holder, you may vote your shares over the Internet by following the instructions on the proxy card delivered to you or by completing, dating and signing the proxy card and promptly returning the proxy card via mail or facsimile. If you hold your shares of common stock in street name, which means that your shares are held of record by a broker, bank or other nominee, you will receive a notice from your broker, bank or other nominee that includes instructions on how to vote your shares.

If you are a stockholder of record, you may vote your shares as follows:

- To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.
- To vote through the Internet, go to <http://www.vstocktransfer.com/proxy> to complete an electronic proxy card. You will be asked to provide the company number and control number from the proxy card delivered to you. Your Internet vote must be received by 11:59 p.m., Eastern Time on May 8, 2017 to be counted.
- To vote using the proxy card delivered to you, simply complete, sign, and date the proxy card and return it promptly in the envelope provided or fax it to (646) 536-3179. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

**YOUR VOTE IS VERY IMPORTANT.** You should submit your proxy even if you plan to attend the Annual Meeting. If you properly give your proxy and submit it to us in time to vote, one of the individuals named as your proxy will vote your shares as you have directed. Any stockholder attending the Annual Meeting may vote in person even if he or she previously submitted a proxy.

All shares entitled to vote and represented by properly submitted proxies (including those submitted electronically and in writing) received before the polls are closed at the Annual Meeting, and not revoked or superseded, will be voted at the Annual Meeting in accordance with the instructions indicated on those proxies. If no direction is indicated on a proxy, your shares will be voted as follows:

- **FOR** each of the six (6) nominees for director named in the Proxy Statement, and
- **FOR** the ratification of the appointment of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017 and
- **FOR** the approval of our 2017 Stock Incentive Plan.

With respect to any other matter that properly comes before the Annual Meeting or any continuation, postponement or adjournment thereof, the proxy-holders will vote as recommended by our Board, or if no recommendation is given, in their own discretion.

### **Revocation of Proxy**

If you are a stockholder of record, you may revoke your proxy at any time before your proxy is voted at the Annual Meeting by taking any of the following actions:

- delivering to our corporate secretary a signed written notice of revocation, bearing a date later than the date of the proxy, stating that the proxy is revoked;
- signing and delivering a new proxy card, relating to the same shares and bearing a later date than the original proxy card;
- submitting another proxy over the Internet (your latest Internet voting instructions are followed); or
- attending the Annual Meeting and voting in person, although attendance at the Annual Meeting will not, by itself, revoke a proxy.

Written notices of revocation and other communications with respect to the revocation of Company proxies should be addressed to:

Atomera Incorporated  
750 University Avenue, Suite 280  
Los Gatos, California 95032  
Attention: Corporate Secretary

If your shares are held in “street name,” you may change your vote by submitting new voting instructions to your broker, bank or other nominee. You must contact your broker, bank or other nominee to find out how to do so. See below regarding how to vote in person if your shares are held in street name.

### **Voting in Person**

If you plan to attend the Annual Meeting and wish to vote in person, you will be given a ballot at the Annual Meeting. Please note, however, that if your shares are held in “street name,” which means your shares are held of record by a broker, bank or other nominee, and you wish to vote at the Annual Meeting, you must bring to the Annual Meeting a legal proxy from the record holder of the shares, which is the broker or other nominee, authorizing you to vote at the Annual Meeting.

Stockholders who wish to attend the Annual Meeting will be required to present verification of ownership of our common stock, such as a bank or brokerage firm account statement, and will be required to present a valid government-issued picture identification, such as a driver’s license or passport, to gain admittance to the Annual Meeting. No cameras, recording equipment, electronic devices, large bags, briefcases or packages will be permitted in the Annual Meeting.

### **Quorum and Votes Required**

The inspector of elections appointed for the Annual Meeting will tabulate votes cast by proxy or in person at the Annual Meeting. The inspector of elections will also determine whether a quorum is present. In order to constitute a quorum for the conduct of business at the Annual Meeting, a majority in voting power of all of the shares of the stock entitled to vote at the Annual Meeting must be present in person or represented by proxy at the Annual Meeting. Shares that abstain from voting on any proposal, or that are represented by broker non-votes (as discussed below), will be treated as shares that are present and entitled to vote at the Annual Meeting for purposes of determining whether a quorum is present.

A broker non-vote occurs when a broker, bank or other agent holding shares for a beneficial owner has not received instructions from the beneficial owner and does not have discretionary authority to vote the shares for certain non-routine matters. Shares represented by proxies that reflect a broker non-vote will be counted for purposes of determining the presence of a quorum. The election of directors (Proposal 1) and approval of our 2017 Stock Incentive Plan (Proposal 3) are considered non-routine matters and broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote. The ratification of the appointment of Marcum LLP as our independent registered public accounting firm (Proposal 2) is considered a routine matter on which a broker, bank or other agent has discretionary authority to vote, so there will not be any broker non-votes in connection with this proposal.

**Proposal No. 1: Election of Directors.** A plurality of the votes cast by the holders of shares entitled to vote in the election of directors at the Annual Meeting is required for the election of directors. Accordingly, the six (6) director nominees receiving the highest number of votes will be elected. Abstentions and broker non-votes are not treated as votes cast and, therefore, will not have any effect on the outcome of the election of directors.

**Proposal No. 2: Ratification of Independent Registered Public Accounting Firm.** The affirmative vote of the holders of a majority of the votes cast and entitled to vote at the Annual Meeting is required for the ratification of the appointment of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017. Abstentions will not be counted either for or against this proposal. Brokers generally have discretionary authority to vote on the ratification of our independent registered public accounting firm and, therefore, broker non-votes are generally not expected to result from the vote on Proposal No. 2. However, in the event of any broker non-votes or abstentions in connection with Proposal No. 2, such broker non-votes and abstentions will be counted as not present and these shares will be deducted from the total shares of which a majority is required.

**Proposal No. 3: Approval of our 2017 Stock Incentive Plan.** The affirmative vote of the holders of a majority of the votes cast and entitled to vote at the Annual Meeting is required for the approval of our 2017 Stock Incentive Plan. In the event of any broker non-votes or abstentions in connection with Proposal No. 3, such broker non-votes and abstentions will be counted as not present and these shares will be deducted from the total shares of which a majority is required.

We will also consider any other business that properly comes before the Annual Meeting, or any adjournment or postponement thereof. As of the record date, we are not aware of any other matters to be submitted for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, the persons named on the enclosed proxy card will vote the shares as recommended by our Board, or if no recommendation is given, in their own discretion.

### **Solicitation of Proxies**

Our Board is soliciting proxies for the Annual Meeting from our stockholders. We will bear the entire cost of soliciting proxies from our stockholders. In addition to the solicitation of proxies by delivery of the Notice or this Proxy Statement by mail, we will request that brokers, banks and other nominees that hold shares of our common stock, which are beneficially owned by our stockholders, send Notices, proxies and proxy materials to those beneficial owners and secure those beneficial owners' voting instructions. We will reimburse those record holders for their reasonable expenses. We do not intend to hire a proxy solicitor to assist in the solicitation of proxies. We may use several of our regular employees, who will not be specially compensated, to solicit proxies from our stockholders, either personally or by Internet, facsimile or special delivery letter.

### **Stockholder List**

A list of stockholders eligible to vote at the Annual Meeting will be available for inspection, for any purpose germane to the Annual Meeting, at the principal executive office of the Company during regular business hours for a period of no less than ten (10) days prior to the Annual Meeting.

### **Forward-Looking Statements**

This Proxy Statement contains "forward-looking statements" (as defined in the Private Securities Litigation Reform Act of 1995). These statements are based on our current expectations and involve risks and uncertainties, which may cause results to differ materially from those set forth in the statements. The forward-looking statements may include statements regarding actions to be taken by us. We undertake no obligation to publicly update any forward-looking statement, whether as a result of new information, future events or otherwise. Forward-looking statements should be evaluated together with the many uncertainties that affect our business, particularly those mentioned in the risk factors in Item 1A of our 2016 Annual Report on Form 10-K and in our Quarterly Reports on Form 10-Q and our Current Reports on Form 8-K.

## PROPOSAL NO. 1

### ELECTION OF DIRECTORS

#### Board Nominees

Our Board currently consists of six (6) members, four (4) of whom are independent under the listing standards for independence of the NASDAQ and Rule 10A-3 under the Securities Exchange Act of 1934, as amended (which we refer to as the “Exchange Act”). Based upon the recommendation of the Nominating and Corporate Governance Committee of our Board, our Board determined to nominate each of the Company’s current directors for re-election at the Annual Meeting.

Our Board and the Nominating and Corporate Governance Committee believe the directors nominated collectively have or will have the experience, qualifications, attributes and skills to effectively oversee the management of the Company, including a high degree of personal and professional integrity, an ability to exercise sound business judgment on a broad range of issues, sufficient experience and background to have an appreciation of the issues facing the Company, a willingness to devote the necessary time to Board duties, a commitment to representing the best interests of the Company and our stockholders and a dedication to enhancing stockholder value.

Each director elected at the Annual Meeting will serve a one (1) year term until the Company’s next annual meeting and until his or her successor is duly elected and qualified or until his or her earlier death, resignation or removal. Unless otherwise instructed, the proxy-holders will vote the proxies received by them for the six (6) nominees named below. If any of the nominees is unable, or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee designated by the present Board to fill the vacancy. It is not presently expected that any of the nominees named below will be unable or will decline to serve as a director. If additional persons are nominated for election as directors, the proxy-holders intend to vote all proxies received by them in a manner to assure the election of as many of the nominees listed below as possible. In such event, the specific nominees to be voted for will be determined by the proxy-holders.

Set forth below are the names, ages and positions of our director nominees as of the date of this Proxy Statement:

#### Board Recommendation

#### **OUR BOARD RECOMMENDS A VOTE “FOR” EACH OF THE SIX (6) NOMINEES FOR DIRECTOR NAMED IN THIS PROXY STATEMENT.**

Vacancies on our Board, including any vacancy created by an increase in the size of our Board, may be filled only by a majority of the directors remaining in office (even though less than a quorum of our Board) or a sole remaining director, and not by stockholders. A director elected by our Board to fill a vacancy will serve until the next annual meeting of stockholders and until such director’s successor is elected and qualified, or until such director’s earlier retirement, resignation, disqualification, removal or death.

If any nominee should become unavailable for election prior to the Annual Meeting, an event that currently is not anticipated by our Board, the proxies will be voted in favor of the election of a substitute nominee or nominees proposed by our Board. Each nominee has agreed to serve if elected and our Board has no reason to believe that any nominee will be unable to serve.

## CORPORATE GOVERNANCE

### Board Composition

Our Board may establish the authorized number of directors from time to time by resolution. Our Board currently consists of six (6) authorized members. During the year ended December 31, 2016, our Board met eight (8) times and acted by unanimous written consent four (4) times. Our Board does not have a policy regarding Board members' attendance at meetings of our stockholders and one member of our Board attended our prior year's annual meeting of stockholders. All directors attended at least 75% of all meetings of the Board during the year ended December 31, 2016.

Generally, under the listing requirements and rules of the Nasdaq Stock Market, independent directors must comprise a majority of a listed company's board of directors. Our Board has undertaken a review of its composition, the composition of its committees and the independence of each director. Our Board has determined that, other than Mr. Bibaud and Mr. Trautmann, by virtue of their executive officer positions, none of our director nominees has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each is "independent" as that term is defined under the applicable rules and regulations of the SEC and the listing requirements and rules of the Nasdaq Stock Market. In making this determination, our Board considered the current and prior relationships that each nonemployee director nominee has with our Company and all other facts and circumstances our Board deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each nonemployee director nominee. Accordingly, a majority of our directors are independent, as required under applicable Nasdaq Stock Market rules, as of the date of this Proxy Statement.

### Committees of the Board of Directors

Our Board has established an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. Our Board may establish other committees to facilitate the management of our business. The composition and functions of each committee are described below. Members serve on these committees until their resignation or until otherwise determined by our Board. Each of our committees operates under a written charter, a copy of which is available at our investor relations website located at <http://ir.atomera.com/>.

### Audit Committee

Our Audit Committee consists of Steve Shevick, John Gerber and C. Rinn Cleavelin, with Mr. Shevick serving as chairperson. The composition of our Audit Committee meets the requirements for independence under current Nasdaq Stock Market listing standards and SEC rules and regulations. Each member of our Audit Committee meets the financial literacy requirements of the Nasdaq Stock Market listing standards. Mr. Shevick is an audit committee financial expert within the meaning of Item 407(d) of Regulation S-K under the Securities Act of 1933, as amended, or the Securities Act. Our Audit Committee will, among other things:

- select a qualified firm to serve as the independent registered public accounting firm to audit our financial statements;
- discuss the scope and results of the audit with the independent registered public accounting firm, and review, with management and the independent registered public accounting firm, our interim and year-end operating results;
- develop procedures for employees to submit concerns anonymously about questionable accounting or audit matters;
- review our policies on risk assessment and risk management;
- review related-party transactions; and
- approve (or, as permitted, pre-approve) all audit and all permissible nonaudit services, other than de minimis nonaudit services, to be performed by the independent registered public accounting firm.

Our Audit Committee operates under a written charter that satisfies the applicable rules of the SEC and the listing standards of the Nasdaq Stock Market. During the year ended December 31, 2016, our Audit Committee met twice.

## **Compensation Committee**

Our Compensation Committee consists of C. Rinn Cleavelin and John Gerber, with Dr. Cleavelin serving as Chairperson. The composition of our Compensation Committee meets the requirements for independence under the Nasdaq Stock Market listing standards and SEC rules and regulations. Each member of the Compensation Committee is also a nonemployee director, as defined pursuant to Rule 16b-3 promulgated under the Exchange Act, and an outside director, as defined pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Code. The purpose of our Compensation Committee is to discharge the responsibilities of our Board relating to compensation of our executive officers. Our Compensation Committee will, among other things:

- review, approve and determine the compensation of our executive officers;
- administer our stock and equity incentive plans;
- make recommendations to our Board regarding director compensation and the establishment and terms of incentive compensation and equity plans; and
- establish and review general policies relating to compensation and benefits of our employees.

Our chief executive officer may, from time to time, provide input and recommendation to our Compensation Committee concerning the compensation of our other executive officers. Our chief executive officer may also, from time to time, attend Compensation Committee meetings, but he is not present during the Committee's deliberations regarding executive officer compensation. Our Compensation Committee engaged AON Consulting, Inc., through its Radford subdivision, a nationally recognized independent compensation consultant, to provide information and advice regarding the design, form and amount of our compensation arrangements. The consultant does not provide any services to us other than the assistance it provides to the Compensation Committee. The consultant reports directly to the Compensation Committee on all work assignments from the Committee. The Compensation Committee has assessed the independence of Aon Consulting, Inc. pursuant to SEC rules and concluded that no conflict of interest exists that would prevent AON Consulting, Inc. from serving as an independent consultant to the Committee. Our Compensation Committee operates under a written charter that satisfies the applicable rules of the SEC and the listing standards of the Nasdaq Stock Market. During the year ended December 31, 2016, our Compensation Committee met once and acted by unanimous written consent twice.

## **Nominating and Corporate Governance Committee**

Our Nominating and Corporate Governance Committee consists of Steve Shevick, John Gerber and C. Rinn Cleavelin, with Mr. Shevick acting as chairperson. The composition of our Nominating and Corporate Governance Committee meets the requirements for independence under Nasdaq Stock Market listing standards and SEC rules and regulations. Our Nominating and Corporate Governance Committee will, among other things:

- identify, evaluate and make recommendations to our Board regarding nominees for election to our Board and its committees;
- evaluate the performance of our Board and of individual directors;
- consider and make recommendations to our Board regarding the composition of our Board and its committees;
- review developments in corporate governance practices;
- evaluate the adequacy of our corporate governance practices and reporting; and
- develop and make recommendations to our Board regarding corporate governance guidelines and matters.

Our Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements, being over 21 years of age, and having the highest personal integrity and ethics. The committee also intends to consider such factors as diversity, an individual's business experience and skills, independence, judgment, integrity and ability to commit sufficient time and attention to the activities of the Board, as well as the absence of any potential conflicts with our Company's interests. However, the Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board, the operating requirements of our company, and the long-term interests of our stockholders. In conducting this assessment, the Nominating and Corporate Governance Committee typically considers diversity, age, skills, and such other factors as it deems appropriate, given the current needs of the Board and our Company, to maintain a balance of knowledge, experience, and capability.

Our Nominating and Corporate Governance Committee will consider for directorship candidates nominated by third parties, including stockholders. However, at this time, our Nominating and Corporate Governance Committee does not have a policy with regard to the consideration of director candidates recommended by stockholders. The Nominating and Corporate Governance committee believes that it is in the best position to identify, review, evaluate, and select qualified candidates for Board

membership, based on the comprehensive criteria for Board membership approved by the Board. For a third party to suggest a candidate, one should provide our corporate secretary, Francis Laurencio, with the name of the candidate, together with a brief biographical sketch and a document indicating the candidate's willingness to serve if elected.

The Nominating and Corporate Governance Committee operates under a written charter that satisfies the applicable listing requirements and rules of the Nasdaq Stock Market.

### **Board Leadership Structure and Role in Risk Oversight**

John Gerber serves as our chairman of the Board and Scott Bibaud serves as our president and chief executive officer. We have neither adopted a formal policy on whether the chairman and chief executive officer positions should be separate or combined nor do we have a lead director. We believe that, given the small size of our Board and establishment of separate Audit, Compensation Nominating and Corporate Governance Committees consisting of independent directors, our present Board structure is in the best interest of us and our stockholders. Our Board has an active role in overseeing our areas of risk. While the full Board has overall responsibility for risk oversight, the Board has assigned certain areas of risk primarily to designated committees, which report back to the full Board.

### **Process for Stockholders to Send Communications to our Board of Directors**

Because we have always maintained open channels of communication with our stockholders, we do not have a formal policy that provides a process for stockholders to send communications to our Board. However, if a stockholder would like to send a communication to our Board, please address the letter to the attention of our corporate secretary, Francis Laurencio, and it will be distributed to each director.

### **Compensation Committee Interlocks and Insider Participation**

None of our independent directors, John Gerber, C. Rinn Cleavelin, Rolf Stadheim or Steve Shevick, is currently or has been at any time one of our officers or employees. None of our executive officers currently serves, or has served during the last year, as a member of the Board or compensation committee of any entity that has one or more executive officers serving as a member of our Board.

### **Code of Conduct**

We have adopted a code of conduct for all employees, including the chief executive officer, principal financial officer and principal accounting officer or controller, and/or persons performing similar functions, which is available on our website, under the link entitled "Governance/Code of Conduct".

### **Limitation of Liability of Directors and Indemnification of Directors and Officers**

The Delaware General Corporation Law provides that corporations may include a provision in their certificate of incorporation relieving directors of monetary liability for breach of their fiduciary duty as directors, provided that such provision shall not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for unlawful payment of a dividend or unlawful stock purchase or redemption, or (iv) for any transaction from which the director derived an improper personal benefit. Our certificate of incorporation provides that directors are not liable to us or our stockholders for monetary damages for breach of their fiduciary duty as directors to the fullest extent permitted by Delaware law. In addition to the foregoing, our bylaws provide that we may indemnify directors, officers, employees or agents to the fullest extent permitted by law and we have agreed to provide such indemnification to each of our directors.

The above provisions in our certificate of incorporation and bylaws and in the written indemnity agreements may have the effect of reducing the likelihood of derivative litigation against directors and may discourage or deter stockholders or management from bringing a lawsuit against directors for breach of their fiduciary duty, even though such an action, if successful, might otherwise have benefited us and our stockholders. However, we believe that the foregoing provisions are necessary to attract and retain qualified persons as directors.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

## PROPOSAL NO. 2

### RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed Marcum LLP (which we refer to as “Marcum”) as our independent registered public accounting firm for the year ending December 31, 2017, and our Board has directed that management submit the appointment of Marcum as our independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. A representative of Marcum is expected to be present at the Annual Meeting and will have an opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

Stockholder ratification of the selection of Marcum as our independent registered public accountants is not required by our Bylaws or otherwise. However, our Board is submitting the appointment of Marcum to the stockholders for ratification as a matter of corporate practice. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain Marcum. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accountant at any time during the year if the Audit Committee determines that such a change would be in the Company’s and our stockholders’ best interests.

#### Board Recommendation

#### Pre-Approval Policies and Procedures

The Audit Committee has responsibility for selecting, appointing, evaluating, compensating, retaining and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established policies and procedures in its charter regarding pre-approval of any audit and non-audit service provided to the Company by the independent registered public accounting firm and the fees and terms thereof.

The Audit Committee considered the compatibility of the provision of other services by its registered public accountant with the maintenance of their independence. The Audit Committee approved all audit and non-audit services provided by Marcum in 2016 and 2015.

#### Audit Committee Report

The Audit Committee issued the following report for inclusion in this Proxy Statement and our 2016 Annual Report:

- The Audit Committee has reviewed and discussed the audited consolidated financial statements for the year ended December 31, 2016 with management of Atomera Incorporated and with Atomera Incorporated’s independent registered public accounting firm, Marcum LLP.
- The Audit Committee has discussed with Marcum LLP those matters required by Statement on Auditing Standards No. 16, “Communications with Audit Committee,” as adopted by the Public Company Accounting Oversight Board (“PCAOB”).

- The Audit Committee has received and reviewed the written disclosures and the letter from Marcum LLP required by the PCAOB regarding Marcum LLP's communications with the Audit Committee concerning the accountant's independence, and has discussed with Marcum LLP its independence from Atomera Incorporated and its management.

Based on the review and discussions referenced to in paragraphs 1 through 3 above, the Audit Committee recommended to our Board that the audited financial statements for the year ended December 31, 2016 be included in the Annual Report on Form 10-K for that year for filing with the SEC.

## PROPOSAL NO. 3

### AUTHORIZE AND APPROVE OUR 2017 STOCK INCENTIVE PLAN

#### Introduction

Rule 5635(c) of the Nasdaq Listing Rules requires stockholder approval for the establishment or material amendment of any equity compensation arrangement, with limited exceptions. We are seeking the approval of our stockholders in accordance with Rule 5635(c) of the Nasdaq Listing Rules for our 2017 Stock Incentive Plan (the “Plan”). Our Board has approved the Plan and recommends the approval of the Plan by our stockholders.

We previously adopted our 2007 Stock Incentive Plan (“2007 Plan”) providing for the grant of non-qualified stock options and incentive stock options to purchase shares of our common stock and for the grant of restricted and unrestricted share grants. The 2007 Plan expired in March 2017. We had reserved 3,199,447 shares of our common stock under the 2007 Plan. The purpose of the 2007 Plan was to provide eligible participants with an opportunity to acquire an ownership interest in our company. All officers, directors, employees and consultants to our company were eligible to participate under the 2007 Plan. As of the date of this Proxy Statement, we have outstanding options to purchase an aggregate of 2,106,637 shares of our common stock under the 2007 Plan, all of which remain outstanding and unaffected by the termination of the 2007 Plan. Due to the expiration of our 2007 Plan, we have a limited ability to grant new awards until a new equity incentive plan is approved.

Our Board believes that it is advisable to adopt the Plan in order to attract and compensate employees, officers and directors upon whose judgment, initiative and effort we depend. The issuance of common shares and stock options to eligible participants under the Plan is designed to align the interests of such participants with those of our stockholders.

The Plan provides for the issuance of 3,750,000 shares of common stock, or approximately 31% of the 12,104,737 shares of common stock outstanding on March 31, 2017. The major features of the Plan are summarized below. This summary is qualified in its entirety by reference to the full text of the Plan, a copy of which is attached to this Proxy Statement as **APPENDIX A**.

#### Board Recommendation

### **OUR BOARD RECOMMENDS A VOTE “FOR” THE APPROVAL OF OUR 2017 STOCK INCENTIVE PLAN**

#### General

The Plan is intended to advance the interests of the company and our stockholders by enabling us to attract and retain qualified individuals through opportunities for equity participation, and to reward those individuals who contribute to the achievement of our economic objectives. The Plan allows us to award eligible recipients incentive awards, consisting of:

- options to purchase shares of our common stock, which may be “incentive options” that qualify as “incentive stock options” within the meaning of Section 422 of the Internal Revenue Code;
- “non-statutory stock options” that do not qualify as incentive options;
- “restricted stock awards” which are shares of common stock that are subject to certain forfeiture and transferability restrictions;
- “restricted stock units,” which are contractual obligations to transfer shares of common stock to participants once vesting criteria are satisfied; and
- “performance awards” which are shares of common stock or cash that may be subject to the future achievement of certain performance criteria or be free of any performance or vesting.

All of our employees and any subsidiary employees (including officers and directors who are also employees), as well as all of our non-employee directors and other consultants, advisors and other persons who provide services to us will be eligible to receive incentive awards under the Plan.

Shares that are issued under the Plan or that are subject to outstanding incentive awards reduce the number of shares remaining available under the Plan. Any shares subject to an incentive award that lapses, expires, is forfeited, terminates unexercised or unvested, or is settled or paid in cash or other consideration will automatically again become available for issuance under the Plan.

If the exercise price of any option or any associated tax withholding obligations are paid by a participant's tender or attestation as to ownership of shares (as described below), or if tax withholding obligations are satisfied by the Company withholding shares otherwise issuable upon exercise of an option, only the net number of shares issued will reduce the number of shares remaining available under the Plan.

In the event of any reorganization, merger, consolidation, recapitalization, liquidation, reclassification, stock dividend, stock split, combination of shares, rights offering, divestiture or extraordinary dividend (including a spin-off) or any other similar change in the corporate structure or shares of the Company, appropriate adjustment will be made to:

- the number and kind of securities available for issuance under the Plan;
- the limits on the numbers of shares that may be granted to a participant within any fiscal year or that may be granted as restricted stock awards under the Plan; and
- in order to prevent dilution or enlargement of the rights of participants, the number, kind and, where applicable, the exercise price of securities subject to outstanding incentive awards.

## **Administration**

The Plan will be administered by our Compensation Committee. We refer to the compensation committee administering the Plan as the "Committee."

The Committee has the authority to determine all necessary or desirable provisions of incentive awards, including, the eligible recipients who will be granted one or more incentive awards under the Plan, the nature and extent of the incentive awards to be made to each participant, the time or times when incentive awards will be granted, the duration of each incentive award, and payment or vesting restrictions and other conditions. The Committee has the authority to amend or modify the terms of outstanding incentive awards so long as the amended or modified terms are permitted under the Plan and any affected participant has consented to the amendment or modification. The Plan expressly authorizes our Board to effect the re-pricing of "underwater" options without seeking shareholder approval.

The Plan will become effective, subject to shareholder approval, on May 9, 2017 and, unless terminated earlier, the Plan will terminate at midnight on May 8, 2027. Incentive awards outstanding at the time the Plan is terminated may continue to be exercised, or become free of restriction, according to their terms. The Board may suspend or terminate the Plan or any portion of the plan at any time, and may amend the Plan from time to time to conform incentive awards to any change in applicable laws or regulations or in any other respect that the Board may deem to be in our best interests. However, no amendments to the Plan will be effective without stockholder approval if it is required under Section 422 of the Internal Revenue Code or the Listing Rules of the Nasdaq.

Termination, suspension or amendment of the Plan will not adversely affect any outstanding incentive award without the consent of the affected participant, except for adjustments in the event of changes in capitalization or a "change in control," discussed below.

In general, no right or interest in any incentive award may be assigned or transferred by a participant, except by will or the laws of descent and distribution, or subjected to any lien or encumbrance. However, the Committee may permit a participant to transfer of all or a portion of a non-statutory stock option, other than for value, to certain family members or related family trusts, foundations or partnerships. Any permitted transferee of a non-statutory stock option will remain subject to all the terms and conditions of the incentive award applicable to the participant.

## **Options**

The exercise price of an incentive stock option may not be less than 100% of the fair market value of a share of our common stock on the option grant date (or 110% if the participant beneficially owns more than 10% of our outstanding stock). Under the Plan, "fair market value" on a given day means the last reported closing price of a share of our common stock on the Nasdaq Stock Market.

In general, the Plan requires a participant to pay an option's exercise price in cash. The Committee may, however, allow exercise payments to be made, in whole or in part, by delivery of a broker exercise notice (pursuant to which a broker or dealer is irrevocably instructed to sell enough shares or loan the optionee enough money to pay the exercise price and to remit such sums to the Company), by tender or attestation as to ownership of shares of common stock that have been held for the period of time necessary to avoid a charge to the Company's earnings for financial reporting purposes and that are otherwise acceptable to the Committee, or by a combination of such methods. Any shares of common stock tendered or covered by an attestation will be valued at their fair market value on the exercise date.

The aggregate fair market value of shares of common stock with respect to which incentive stock options may become exercisable by a participant for the first time during any calendar year (and under all “incentive stock option” plans of the company or any subsidiary) may not exceed \$100,000. Any incentive stock options in excess of this amount will be treated as non-statutory stock options. Options may be exercised in whole or in installments, as determined by the Committee, and the Committee may impose conditions or restrictions to the exercisability of an option, including that the participant remain continuously employed by the Company or a subsidiary for a certain period. An option may not remain exercisable after 10 years from its date of grant (or five years from its date of grant if the participant beneficially owns more than 10% of our outstanding stock).

### **Restricted Stock Awards**

A restricted stock award is an award of common stock vesting at such times and in such installments as may be determined by the Committee and, until it vests, that is subject to restrictions on transferability and the possibility of forfeiture. Restricted stock awards may be subject to any restrictions or vesting conditions that the Committee deems appropriate, including that the participant remain continuously employed by the Company or a subsidiary for a certain period.

Unless the Committee determines otherwise, any dividends (other than regular quarterly cash dividends) or distributions paid with respect to shares of common stock subject to the unvested portion of a restricted stock award will be subject to the same restrictions as the shares to which such dividends or distributions relate. Holders of restricted stock awards will have the same voting rights as holders of unrestricted common stock.

### **Restricted Stock Units**

A restricted stock unit is an award that represents a promise to transfer to the participant shares of common stock once certain criteria specified in the award are satisfied. The criteria may be that the participant remain employed until a specified date or dates or that various performance objectives are satisfied. No stock ownership rights are conferred upon the participant until the restricted stock unit awards are settled upon the satisfaction of the specified criteria.

### **Performance Awards**

The Plan permits the grant of performance-based stock and cash awards intended to qualify as performance-based compensation so as not to be subject to the \$1,000,000 limitation on the income tax deductibility imposed by Section 162(m) of the Code. The Committee may structure awards so that the stock or cash will be issued or paid only following the achievement of certain pre-established performance goals during a designated performance period. However, once we become subject to Section 162(m) of the Code after the phase-in period for newly-public companies, not all awards intended to qualify as performance-based awards for purposes of Section 162(m) of the Code may so qualify, and in addition, we retain the discretion to grant awards under the Plan that may not qualify for full or partial deductibility.

The Committee may establish performance goals by selecting from one or more performance criteria set forth in the Plan, including, but not limited to: earnings before interest, taxes, depreciation and amortization; total stockholder return; return on equity or average stockholders’ equity; return on assets, investment, or capital employed; stock price margin (including gross margin); income (before or after taxes); operating income (before or after taxes); pre-tax profit; operating cash flow; sales or revenue targets; increases in revenue; expenses and cost reduction goals; improvement in or attainment of working capital levels; economic value added; market share; cash flow (including cash flow per share); share price performance; debt reduction; strategic partnerships and transactions; stockholders’ equity; capital expenditures; operating profit or net operating profit; growth of net income or operating income; budget management; and to the extent that an award is not intended to comply with Section 162(m) of the Code, other measures of performance selected by the Committee.

### **Change in Control of the Company**

In the event a “change in control” of the company occurs, then, if approved by the Committee (either at the time of the grant of the incentive award or at any time thereafter):

- some or all outstanding options will become immediately exercisable in full and will remain exercisable for the remainder of their terms,
- some or all outstanding restricted stock awards will become immediately fully vested and non-forfeitable, and
- any conditions to the issuance of shares or cash pursuant to some or all outstanding performance awards will lapse.

The Committee may also determine that some or all participants holding outstanding options will receive shares or a cash payment equal to the excess of the fair market value of the option shares immediately prior to the effective date of the change in control over the exercise price per share of the options (or, in the event that there is no excess, that such options will be terminated).

For purposes of the Plan, a “Change in Control” of the company generally occurs if:

- all or substantially all of our assets are sold, leased, exchanged or transferred to any successor;
- our stockholders approve any plan or proposal to liquidate or dissolve the company;
- any successor, other than a bona fide underwriter in a securities offering, becomes the beneficial owner of 25% or more, but not 50% or more, of our outstanding securities ordinarily having the right to vote at elections of directors, unless the transaction has been approved in advance by “continuity directors,” who are members of our Board at the time of the Annual Meeting or whose nomination for election meets certain approval requirements related to continuity with our current Board; or
- more than 50% of our outstanding securities ordinarily having the right to vote at elections of directors (regardless of any approval by the continuity directors);
- we are a party to a merger or consolidation that results in our stockholders beneficially owning securities representing:
  - less than 50% of the combined voting power ordinarily having the right to vote at elections of directors of the surviving corporation (regardless of any approval by the continuity directors); or
  - the continuity directors cease to constitute at least a majority of our Board.

### **Effect of Termination of Employment or Other Service**

If a participant ceases to be employed by (or provide services to) the Company and all subsidiaries, all of the participant’s incentive awards will terminate as set forth below (unless modified by the Committee in its discretion as described below).

Upon termination due to death or disability, all outstanding options will, to the extent exercisable as of such termination, remain exercisable for a period of six months (but in no event after the expiration date of the option), and all restricted stock and performance awards that have not vested as of such event will be terminated and forfeited.

Upon termination for any reason other than death or disability (including retirement), all outstanding options will remain exercisable to the extent exercisable as of such termination for a period of three months thereafter (but in no event after the expiration date of any such option), all unvested restricted stock awards and performance awards will be terminated. However, if a participant’s termination is due to “cause” (as defined in the Plan) all rights of the participant under the Plan and any award agreements will immediately terminate without notice of any kind.

In connection with a participant’s termination, the Committee may cause the participant’s options to become or continue to become exercisable and restricted stock awards and performance awards to vest and/or continue to vest or become free of restrictions.

### **U.S. Income Tax Consequences**

The following description of the federal income tax consequences under the laws of the United States is based on current statutes, regulations and interpretations, all of which are subject to change, possibly with retroactive effect. The description does not include state or local income tax consequences. In addition, the description is not intended to address specific tax consequences applicable to an individual participant who receives an incentive award.

*Incentive Stock Options.* There will not be any federal income tax consequences to either the participant or the company as a result of the grant of an incentive option under the Incentive Plan.

A participant’s exercise of an incentive option also will not result in any federal income tax consequences to the company or the participant, except that (i) an amount equal to the excess of the fair market value of the shares acquired upon exercise of the incentive option, determined at the time of exercise, over the amount paid for the shares by the participant will be includable in the participant’s alternative minimum taxable income for purposes of the alternative minimum tax, and (ii) the participant may be subject to an additional excise tax if any amounts are treated as excess parachute payments (as discussed below). Special rules will apply if previously acquired shares of common stock are permitted to be tendered or attested to in payment of an option exercise price.

If a participant disposes of the shares acquired upon exercise of the incentive option, the federal income tax consequences will depend upon how long the participant held the shares. If the participant held the shares for at least two years after the date of grant and at least one year after the date of exercise (the “holding period requirements”), then the participant will recognize a long-

term capital gain or loss. The amount of the long-term capital gain or loss will be equal to the difference between (i) the amount the participant realized on disposition of the shares, and (ii) the option price at which the participant acquired the shares. The company is not entitled to any compensation expense deduction under these circumstances.

If the participant does not satisfy both of the above holding period requirements (a “disqualifying disposition”), then the participant will be required to report as ordinary income, in the year the participant disposes of the shares, the amount by which the lesser of (i) the fair market value of the shares at the time of exercise of the incentive option or (ii) the amount realized on the disposition of the shares, exceeds the option price for the shares. The company will be entitled to a compensation expense deduction in an amount equal to the ordinary income includable in the taxable income of the participant, subject to the limitations of Section 162(m) of the Internal Revenue Code (the “Code”). This compensation income may be subject to withholding. The remainder of the gain recognized on the disposition, if any, or any loss recognized on the disposition, will be treated as long-term or short-term capital gain or loss, depending on the holding period.

*Non-Statutory Stock Options.* Neither the participant nor the company incurs any federal income tax consequences as a result of the grant of a non-statutory option. Upon exercise of a non-statutory option, a participant will recognize ordinary income, subject to withholding, on the date of exercise in an amount equal to the difference between (i) the fair market value of the shares purchased, determined on the date of exercise, and (ii) the consideration paid for the shares. The participant may be subject to an additional excise tax if any amounts are treated as excess parachute payments (see explanation below). Special rules will apply if previously acquired shares of common stock are permitted to be tendered in payment of an option exercise price.

At the time of a subsequent sale or disposition of any shares of common stock obtained upon exercise of a non-statutory option, any gain or loss will be a capital gain or loss. The capital gain or loss will be long-term or short-term capital gain or loss, depending on the holding period.

In general, the company will be entitled to a compensation expense deduction, subject to the limitations of Section 162(m), in connection with the exercise of a non-statutory option for any amounts includable in the taxable income of the participant as ordinary income, provided the company complies with any applicable withholding requirements.

*Restricted Stock Awards.* With respect to shares issued pursuant to a restricted stock award that are subject to a substantial risk of forfeiture, a participant may file an election under Section 83(b) of the Code within 30 days after the shares are transferred to include as ordinary income in the year of transfer an amount equal to the fair market value of the shares received on the date of transfer (determined as if the shares were not subject to any risk of forfeiture). The company will receive a corresponding tax deduction, provided that proper withholding is made and the award is not otherwise subject to the limitations of Section 162(m). If a Section 83(b) election is made, the participant will not recognize any additional income when the restrictions on the shares issued in connection with the stock award lapse. At the time any such shares are sold or disposed of, any gain or loss will be treated as long-term or short-term capital gain or loss, depending on the holding period from the date of receipt of the restricted stock award.

A participant who does not make a Section 83(b) election within 30 days of the transfer of a restricted stock award that is subject to a substantial risk of forfeiture will recognize ordinary income at the time of the lapse of the restrictions in an amount equal to the then fair market value of the shares, less any amount paid for the shares. The company will receive a corresponding tax deduction, provided that proper withholding is made and the award is not otherwise subject to the limitations of Section 162(m). At the time of a subsequent sale or disposition of any shares of common stock issued in connection with a restricted stock award as to which the restrictions have lapsed, any gain or loss will be treated as long-term or short-term capital gain or loss, depending on the holding period from the date the restrictions lapse.

*Restricted Stock Units.* At the time of settlement of a restricted stock unit award, when shares of common stock are transferred to the participant, the participant will recognize ordinary taxable income equal to the fair market value of the shares on the date of transfer. Subject to the limitations of Section 162(m), the company will be entitled to a compensation expense deduction in the year of transfer of the shares in an amount equal to the amount recognized by the participant as taxable income.

*Performance Awards.* The participant recognizes ordinary taxable income in the year in which a performance award is paid. The amount of taxable income is equal to the amount of cash paid to the participant or the fair market value of any shares of common stock transferred to the participant. Subject to the limitations of Section 162(m), the company will be entitled to a compensation expense deduction in the year of transfer of the shares in an amount equal to the amount recognized by the participant as taxable income.

*Excise Tax on Parachute Payments.* The Code imposes a 20% excise tax on the recipient of “excess parachute payments,” as defined in the code, and denies tax deductibility to the company on excess parachute payments. Generally, parachute payments are payments in the nature of compensation to employees of a company who are officers, stockholders, or highly-compensated

individuals, which payments are contingent upon a change in ownership or effective control of the company, or in the ownership of a substantial portion of the assets of the company. For example, acceleration of the exercisability of options or the vesting of restricted stock awards upon a change in control of the company may constitute parachute payments, and in certain cases, “excess parachute payments.” Excess parachute payments are generally parachute payments equal to or exceeding the recipient’s average compensation from the company over the preceding five years.

*New Plan Benefits.* The grant of awards under the Plan is discretionary and neither the number of shares subject to awards nor the types of awards under the Incentive Plan to any particular eligible recipient(s) or group(s) of eligible recipients is presently determinable.

**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT  
AND RELATED STOCKHOLDER MATTERS**

The following table sets forth certain information regarding the beneficial ownership of our common stock as of March 20, 2017 by:

- each person who is known by us to be the beneficial owner of more than five percent (5%) of our issued and outstanding shares of common stock;
- each of our directors, director nominees and executive officers; and
- all directors, director nominees and executive officers as a group.

The beneficial ownership of each person was calculated based on 12,104,737 common shares issued and outstanding as of March 20, 2017. The SEC has defined “beneficial ownership” to mean more than ownership in the usual sense. For example, a person has beneficial ownership of a share not only if he owns it, but also if he has the power (solely or shared) to vote, sell or otherwise dispose of the share. Beneficial ownership also includes the number of shares that a person has the right to acquire within 60 days, pursuant to the exercise of options or warrants or the conversion of notes, debentures or other indebtedness. Two or more persons might count as beneficial owners of the same share. Unless otherwise indicated, the address for each reporting person is 750 University Avenue, Suite 280, Los Gatos, California 95032.

In connection with his employment agreement, we granted Mr. Bibaud options to purchase 303,002 shares of our common stock at an exercise price of \$5.70 per share. 138,515 of Mr. Bibaud's options vested and become exercisable completion of our initial public offering in August 2016 and, in addition to the performance vesting condition, all of the 303,002 options vest and first become exercisable over a four-year period commencing on the first anniversary of the October 2015 date of grant. Upon the completion of our initial public offering, Mr. Bibaud received additional stock options, or the gross up options, to purchase 608,755 shares of our common stock at a strike price of the IPO price of \$7.50 per share. The gross up options commenced vesting in October 2016 in equal monthly installments over next 36 months.

## CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

### Related Party Transactions, Promoters and Director Independence

Since January 1, 2015, we have not entered into any transactions where the amount exceeded the lesser of \$120,000 or one percent (1%) of the average of our total assets as of December 31, 2015 and 2016 with any of our directors, officers, beneficial owners of five percent or more of our common shares, any immediate family members of the foregoing or entities of which any of the foregoing are also officers or directors or in which they have a material financial interest, other than:

- the compensatory arrangements with our executive officers and directors described elsewhere in this Proxy Statement;
- On January 14, 2005, we entered into a loan transaction with Dr. Robert Mears pursuant to which we loaned Dr. Mears \$187,500. Pursuant to the loan agreements, the loan to Dr. Mears bore interest at the rate of 3.67% per year and required the payment of interest only until the loan maturity date, at which time all principal and accrued interest was payable. The loan was secured by shares of our common stock owned by Dr. Mears. In December 2015, we agreed to extend the term of Dr. Mears' loan to January 14, 2019, subject to acceleration in the event of the sale of our Company or our liquidation, bankruptcy or like event. Effective as of January 13, 2016, we awarded Dr. Mears with a bonus in the amount of \$187,500, payable in the form of our cancellation of the outstanding principal amount under the note in the amount of \$187,500. As of the date of the award, there was accrued and unpaid interest under the note in the amount of \$7,050, which Dr. Mears remains obligated to pay. In return for the cancellation of the principal amount under the note, Dr. Mears was required to reimburse us for withholding taxes payable by us, in the amount of \$13,998, in connection with the \$187,500 award.

<sup>(1)</sup> Includes a payment of \$3,000 pursuant to a consulting arrangement that terminated upon the close of our IPO in August 2016.

- Between 2013 and 2016, we conducted private placements of our convertible promissory notes. Certain of our officers and directors participated in the placements and purchased convertible notes in the aggregate principal amount of \$3,347,607, representing 16.2% of the convertibles notes sold by us, including notes in the principal amount of \$625,332 purchased by John Gerber, \$985,115 purchased by Rolf Stadheim, \$25,000 purchased by Scott Bibaud, \$1,278,536 purchased by K2 Energy Limited, an entity controlled by a former director, Samuel Gazal, and \$433,624 purchased by a former director, Rosalie Stahl.
- In April 2009, we acquired the rights to several US and foreign patents relating to optical communication technologies from our founder, Dr. Robert Mears, and three other co-inventors, none of whom are affiliated with us. The inventions covered by the assigned patents had been developed by Dr. Mears and his co-inventors prior to Dr. Mears's founding of our company's business. Pursuant to the patent assignment agreement, we are required to pay to Dr. Mears and the three other co-inventors 10% each of all revenue derived by us from the assigned patents.

Except as set forth above, we have not entered into any transactions with any of our directors, officers, beneficial owners of five percent or more of our common shares, any immediate family members of the foregoing or entities of which any of the foregoing are also officers or directors or in which they have a material financial interest, other than the compensatory arrangements described elsewhere in this prospectus. We have adopted a policy that any transactions with directors, officers, beneficial owners of five percent or more of our common stock, any immediate family members of the foregoing or entities of which any of the foregoing are also officers or directors or in which they have a financial interest, will only be on terms consistent with industry standards and approved by a majority of the disinterested directors of our Board.

## **OTHER MATTERS**

### **Section 16(A) Beneficial Ownership Reporting Compliance**

Rules adopted by the SEC under Section 16(a) of the Securities Exchange Act of 1934, or the Exchange Act, require our officers and directors, and persons who own more than 10% of the issued and outstanding shares of our equity securities, to file reports of their ownership, and changes in ownership, of such securities with the SEC on Forms 3, 4 or 5, as appropriate. Such persons are required by the regulations of the SEC to furnish us with copies of all forms they file pursuant to Section 16(a).

Based solely upon a review of Forms 3, 4 and 5 and amendments thereto furnished to us during our most recent fiscal year, and any written representations provided to us, we believe that all of the officers, directors, and owners of more than 10% of the outstanding shares of our common stock complied with Section 16(a) of the Exchange Act for the year ended December 31, 2016, except as follows. John Gerber conducted a late filing on Form 4 to report the transfer of a portion of his common shares to a family member.

### **Stockholder Proposals and Director Nominations for 2018 Annual Meeting**

For any proposal, including director nominees, to be considered for inclusion in our proxy statement and form of proxy for submission to the stockholders at our 2018 annual meeting, it must be submitted in writing and comply with the requirements of Rule 14a-8 of the Securities Exchange Act of 1934. Such proposals must be received by the Company at its offices at 750 University Avenue, Suite 280, Los Gatos, California 95032 on or before January 8, 2018. Our Board will review any proposals from eligible stockholders that it receives by that date and will make a determination whether any such proposals will be included in our proxy materials. Any proposal received after that date shall be considered untimely and shall not be made a part of our proxy materials.

A stockholder who wishes to make a proposal at the next annual meeting without including the proposal in our proxy statement must also notify us within a reasonable time before we print and mail the proxy materials. If a stockholder fails to give reasonable advance notice, then the persons named as proxies in the proxies solicited by us for the next annual meeting will have discretionary authority to vote on the proposal.

### **Householding of Proxy Materials**

The SEC has adopted rules that permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of banks and brokers with account holders who are our stockholders will be householding our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your bank or broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your bank or broker, direct your written request to Atomera Incorporated, 750 University Avenue, Suite 280, Los Gatos, California 95032, Attention: Investor Relations, or contact Investor Relations by telephone at 408-442-5246; or find our materials posted online at [www.atomera.com](http://www.atomera.com). Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their bank or broker.

### **Other Matters**

We will also consider any other business that properly comes before the annual meeting, or any adjournment or postponement thereof. As of the record date, we are not aware of any other matters to be submitted for consideration at the annual meeting. If any other matters are properly brought before the annual meeting, the persons named on the enclosed proxy card will vote the shares they represent using their best judgment.

### **Incorporation by Reference**

Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act of 1933, as amended, or the Exchange Act, which might incorporate future filings made by us under those statutes, the preceding Audit Committee Report will not be incorporated by reference into any of those prior filings, nor will any such report be incorporated by reference into any future filings made by us under those statutes. In addition, information on our website, other than our proxy statement, notice and form of proxy, is not part of the proxy soliciting materials and is not incorporated herein by reference.

Each determination, interpretation or other action made or taken by the Committee pursuant to the provisions of the Plan will be conclusive and binding for all purposes and on all persons, and no member of the Committee will be liable for any action or determination made in good faith with respect to the Plan or any Incentive Award granted under the Plan.

#### 3.2. Authority of the Committee.

(a) In accordance with and subject to the provisions of the Plan, the Committee will have the authority to determine all provisions of Incentive Awards as the Committee may deem necessary or desirable and as consistent with the terms of the Plan, including, without limitation, the following: (i) the Eligible Recipients to be selected as Participants; (ii) the nature and extent of the Incentive Awards to be made to each Participant (including the number of shares of Common Stock to be subject to each Incentive Award, any exercise price, the manner in which Incentive Awards will vest or become exercisable and whether Incentive Awards will be granted in tandem with other Incentive Awards) and the form of written agreement, if any, evidencing such Incentive Award; (iii) any Performance Criteria applicable to any Incentive Awards; (iv) the time or times when Incentive Awards will be granted and, where applicable, settled; (v) the duration of each Incentive Award; (vi) the restrictions and other conditions to which the payment or vesting of Incentive Awards may be subject. In addition, the Committee will have the authority under the Plan in its sole discretion to pay the economic value of any Incentive Award in the form of cash, Common Stock or any combination of both.

(b) The Committee will have the authority under the Plan to amend or modify the terms of any outstanding Incentive Award in any manner, including, without limitation, the authority to modify the number of shares or other terms and conditions of an Incentive Award, extend the term of an Incentive Award, accelerate the exercisability or vesting or otherwise terminate any restrictions relating to an Incentive Award other than an Incentive Award intended to qualify as “performance-based” compensation within the meaning of Section 162(m) of the Code, accept the surrender of any outstanding Incentive Award, effect any repricing of previously granted “underwater” options or, to the extent not previously exercised or vested, authorize the grant of new Incentive Awards in substitution for surrendered Incentive Awards; provided, however that the amended or modified terms are permitted by the Plan as then in effect and that any Participant adversely affected by such amended or modified terms has consented to such amendment or modification. Notwithstanding the foregoing, no Performance Award (or any other Incentive Award) that is subject to the requirements and restrictions of Section 409A of the Code may be amended in a manner that would violate Section 409A of the Code.

(c) In the event of (i) any reorganization, merger, consolidation, recapitalization, liquidation, reclassification, stock dividend, stock split, combination of shares, rights offering, extraordinary dividend or divestiture (including a spin-off) or any other change in corporate structure or shares; (ii) any purchase, acquisition, sale, disposition or write-down of a significant amount of assets or a significant business; (iii) any change in accounting principles or practices, tax laws or other such laws or provisions affecting reported results; or (iv) any other similar change, in each case with respect to the Company or any other entity whose performance is relevant to the grant or vesting of an Incentive Award, the Committee (or, if the Company is not the surviving corporation in any such transaction, the board of directors of the surviving corporation) may, without the consent of any affected Participant, amend or modify the vesting criteria (including Performance Criteria) of any outstanding Incentive Award that is based in whole or in part on the financial performance of the Company (or any Subsidiary or division or other subunit thereof) or such other entity so as equitably to reflect such event, with the desired result that the criteria for evaluating such financial performance of the Company or such other entity will be substantially the same (in the sole discretion of the Committee or the board of directors of the surviving corporation) following such event as prior to such event; provided, however, that the amended or modified terms are permitted by the Plan as then in effect.

3.3 Annual Award Limitation. The total number of Restricted Stock Awards, Restricted Stock Units and other shares of Common Stock subject to or underlying Options or Performance Awards awarded to any Participant during any year may not exceed 1,000,000 shares. The value of a Performance Award granted, as measured on the date of grant, to a Participant with respect to any Performance Period may not exceed \$5,000,000 times the number of years in the Performance Period.

#### 4. Shares Available for Issuance.

4.1. Maximum Number of Shares Available; Certain Restrictions on Awards. Subject to adjustment as provided in Section 4.3 of the Plan, the maximum number of shares of Common Stock that will be available for issuance under the Plan will be 3,750,000, and the maximum number of shares of Common Stock that will be available for issuance in connection with Incentive Stock Options is 3,750,000. The shares available for issuance under the Plan may, at the election of the Committee, be either treasury shares or shares authorized but unissued, and, if treasury shares are used, all references in the Plan to the issuance of shares will, for corporate law purposes, be deemed to mean the transfer of shares from treasury.

4.2. Accounting for Incentive Awards. Shares of Common Stock that are issued under the Plan or that are subject to outstanding Incentive Awards will be applied to reduce the maximum number of shares of Common Stock remaining available for issuance under the Plan; provided, however, that shares subject to an Incentive Award that lapses, expires, is forfeited (including issued shares forfeited under a Restricted Stock Award) or for any reason is terminated unexercised or unvested or is settled or paid in cash or any form other than shares of Common Stock will automatically again become available for issuance under the Plan. To the extent that the exercise price of any Option and/or associated tax withholding obligations are paid by tender or attestation as to ownership of Previously Acquired Shares, or to the extent that such tax withholding obligations are satisfied by withholding of shares otherwise issuable upon exercise of the Option, only the number of shares of Common Stock issued net of the number of shares tendered, attested to or withheld will be applied to reduce the maximum number of shares of Common Stock remaining available for issuance under the Plan.

4.3. Adjustments to Shares and Incentive Awards. In the event of any reorganization, merger, consolidation, recapitalization, liquidation, reclassification, stock dividend, stock split, combination of shares or any other change in the corporate structure or shares of the Company, the Committee (or, if the Company is not the surviving corporation in any such transaction, the board of directors of the surviving corporation) will make appropriate adjustment (which determination will be conclusive) as to the number and kind of securities or other property (including cash) available for issuance or payment under the Plan and, in order to prevent dilution or enlargement of the rights of Participants, the number and kind of securities or other property (including cash) subject to outstanding Incentive Awards and the exercise price of outstanding Options.

#### 5. Participation.

Participants in the Plan will be those Eligible Recipients who, in the judgment of the Committee, have contributed, are contributing or are expected to contribute to the achievement of economic objectives of the Company or its Subsidiaries. Eligible Recipients may be granted from time to time one or more Incentive Awards, singly or in combination or in tandem with other Incentive Awards, as may be determined by the Committee in its sole discretion. Incentive Awards will be deemed to be granted as of the date specified in the grant resolution of the Committee, which date will be the date of any related agreement with the Participant.

6. Options.

6.1. Grant. An Eligible Recipient may be granted one or more Options under the Plan, and such Options will be subject to such terms and conditions, consistent with the other provisions of the Plan, as may be determined by the Committee in its sole discretion. The Committee may designate whether an Option is to be considered an Incentive Stock Option or a Non-Statutory Stock Option. To the extent that any Incentive Stock Option granted under the Plan ceases for any reason to qualify as an “incentive stock option” for purposes of Section 422 of the Code, such Incentive Stock Option will continue to be outstanding for purposes of the Plan but will thereafter be deemed to be a Non-Statutory Stock Option.

6.2. Exercise Price. The per share price to be paid by a Participant upon exercise of an Option will be determined by the Committee in its discretion at the time of the Option grant; provided, however, that such price will not be less than 100% of the Fair Market Value of one share of Common Stock on the date of grant with respect to any Incentive Stock Option (110% of the Fair Market Value with respect to an Incentive Stock Option if, at the time such Incentive Stock Option is granted, the Participant owns, directly or indirectly, more than 10% of the total combined voting power of all classes of stock of the Company or any parent or subsidiary corporation of the Company).

6.3. Exercisability and Duration. An Option will become exercisable at such times and in such installments and upon such terms and conditions as may be determined by the Committee in its sole discretion at the time of grant (including without limitation (i) the achievement of one or more of the Performance Criteria and/or (ii) that the Participant remain in the continuous employ or service of the Company or a Subsidiary for a certain period); provided, however, that if the Committee does not specify the expiration date of the Option, the expiration date shall be 10 years from the date on which the Option was granted. In no case may an Option may be exercisable after 10 years from its date of grant (five years from its date of grant in the case of an Incentive Stock Option if, at the time the Incentive Stock Option is granted, the Participant owns, directly or indirectly, more than 10% of the total combined voting power of all classes of stock of the Company or any parent or subsidiary corporation of the Company).

6.4. Payment of Exercise Price. The total purchase price of the shares to be purchased upon exercise of an Option will be paid entirely in cash (including check, bank draft or money order); provided, however, that the Committee, in its sole discretion and upon terms and conditions established by the Committee, may allow such payments to be made, in whole or in part, by tender of a Broker Exercise Notice, by tender, or attestation as to ownership, of Previously Acquired Shares that have been held for the period of time necessary to avoid a charge to the Company’s earnings for financial reporting purposes and that are otherwise acceptable to the Committee, or by a combination of such methods. For purposes of such payment, Previously Acquired Shares tendered or covered by an attestation will be valued at their Fair Market Value on the exercise date.

6.5. Manner of Exercise. An Option may be exercised by a Participant in whole or in part from time to time, subject to the conditions contained in the Plan and in the agreement evidencing such Option, by delivery in person, by facsimile or electronic transmission or through the mail of written notice of exercise to the Company pursuant to the instructions set forth in the Incentive Award or, if none, to the Company’s legal department and by paying in full the total exercise price for the shares of Common Stock to be purchased in accordance with Section 6.4 of the Plan.

7. Restricted Stock Awards and Restricted Stock Units.

7.1. Grant. An Eligible Recipient may be granted one or more Restricted Stock Awards or Restricted Stock Units under the Plan, and such Restricted Stock Awards and Restricted Stock Units will be subject to such terms and conditions, consistent with the other provisions of the Plan, as may be determined by the Committee in its sole discretion. The Committee may impose such restrictions or conditions, not inconsistent with the provisions of the Plan, to the vesting of such Restricted Stock Awards and Restricted Stock Units as it deems appropriate, including, without limitation, (i) the achievement of one or more of the Performance Criteria and/or (ii) that the Participant remain in the continuous employ or service of the Company or a Subsidiary for a certain period.

7.2. Rights as a Stockholder; Transferability. Except as provided in Sections 7.1, 7.3, 7.4 and 12.3 of the Plan, a Participant will have all voting, dividend, liquidation and other rights with respect to shares of Common Stock issued to the Participant as a Restricted Stock Award or pursuant to a Restricted Stock Unit under this Section 7 upon the Participant becoming the holder of record of such shares as if such Participant were a holder of record of shares of unrestricted Common Stock.

7.3. Dividends and Distributions. Unless the Committee determines otherwise in its sole discretion (either in the agreement evidencing the Restricted Stock Award at the time of grant or at any time after the grant of the Restricted Stock

Award), any dividends or distributions (other than regular quarterly cash dividends) paid with respect to shares of Common Stock subject to the unvested portion of a Restricted Stock Award will be subject to the same restrictions as the shares to which such dividends or distributions relate. The Committee will determine in its sole discretion whether any interest will be paid on such dividends or distributions. A Participant to whom Restricted Stock Units have been granted will have no rights to receive any dividends or distributions with respect to the shares of Common Stock underlying the Restricted Stock Units unless and until the Restricted Stock Units are settled and the Participant becomes the holder of record of any shares of Common Stock delivered in settlement of such Restricted Stock Units.

7.4. Enforcement of Restrictions. To enforce the restrictions referred to in this Section 7, the Committee may place a legend on the stock certificates referring to such restrictions and may require the Participant, until the restrictions have lapsed, to keep the stock certificates, together with duly endorsed stock powers, in the custody of the Company or its transfer agent, or to maintain evidence of stock ownership, together with duly endorsed stock powers, in a certificateless book-entry stock account with the Company's transfer agent.

## 8. Performance Awards.

8.1. Grant. An Eligible Recipient may be granted one or more Performance Awards under the Plan, and such Performance Awards will be subject to such terms and conditions, if any, consistent with the other provisions of the Plan, as may be determined by the Committee in its sole discretion. The Committee may impose such restrictions or conditions, not inconsistent with the provisions of the Plan, to the vesting of such Performance Awards as it deems appropriate, including, without limitation, (i) the achievement of one or more of the Performance Criteria and/or (ii) that the Participant remain in the continuous employ or service of the Company or a Subsidiary for a certain period.

8.2. Performance Periods. The Performance Period with respect to each Performance Award will be such period of time commencing with the date of grant as is determined by the Committee on the date of grant.

8.3. Specification of Performance Criteria. Any grant of Performance Awards will specify Performance Criteria that, if achieved, will result in payment or early payment of the Award, and each grant may specify in respect of such specified Performance Criteria a minimum acceptable level of achievement and shall set forth a formula for determining the amount of the Performance Award that will be earned if performance is at or above the minimum level, but falls short of full achievement of the specified Performance Criteria. The grant of Performance Awards will specify that, before the Performance Awards will be earned and paid, the Compensation Committee of the Board must certify that the Performance Criteria have been satisfied.

### 8.4. Settlement – Time of Payment

(a) At the time any Performance Award is granted, the agreement evidencing the Performance Award will specify the time at which the vested portion of the Performance Award will be settled. In no event may the time of payment be changed after the Performance Award is granted.

(b) The agreement may specify that settlement will be made upon vesting or the settlement will occur with respect to all vested Performance Awards as of a specified time.

(c) To the extent the agreement does not provide for the settlement of vested Performance Awards on or before the date that is 2-1/2 months after the end of the year in which the Performance Award (or the relevant portion thereof) vests, the agreement will provide for payment to occur: (a) upon the Eligible Recipient's separation from service, death or disability; (b) upon a change in control of the Company; or (c) upon a specified date or pursuant to a specified schedule. In all cases in which payment is to be made in accordance with this Section 8.2(c), the times specified for payment will be interpreted and administered in accordance with the requirements of Section 409A of the Code and any applicable regulations or guidance issued in connection with that Code section.

8.5. Settlement – Form of Payment. Unless otherwise specified in the agreement evidencing the Performance Award, or some other written agreement between the Company and the Eligible Recipient, vested Performance Awards will be settled in cash or shares of Common Stock.

8.6. Rights as a Stockholder. A Participant holding a Performance Award shall have no rights as a holder of Common Stock unless and until the Performance Award is settled and shares of Common Stock are delivered to the Participant in such settlement.

8.7. Dividends and Distributions. Unless the Committee determines otherwise in its sole discretion (either in the agreement evidencing the Performance Award at the time of grant or at any time after the grant of the Performance Award), the Participant shall not be entitled to receive dividends or distributions with respect to the Shares subject to a Performance Award unless and until the Performance Award is settled and shares of Common Stock are delivered to the Participant in such settlement.

8.8. Unfunded and Unsecured Obligation of the Company. A Performance Award represents an unfunded and unsecured obligation of the Company to make payment to a Participant in accordance with the terms of this Plan or an award agreement. The Participant's rights with respect to a Performance Award shall be those of an unsecured creditor of the Company.

9. Effect of Termination of Employment or Other Service.

9.1. Termination Due to Death or Disability. In the event a Participant's employment or other service with the Company and all Subsidiaries is terminated by reason of death or Disability:

- (a) All outstanding Options then held by the Participant will, to the extent exercisable as of such termination, remain exercisable for a period of six (6) months after such termination (but in no event after the expiration date of any such Option); and
- (b) All Restricted Stock Awards then held by the Participant that have not vested as of such termination will be terminated and forfeited; and
- (c) All outstanding Performance Awards then held by the Participant that have not vested as of such termination will be terminated and forfeited.

9.2. Termination Due to Retirement. Subject to Section 9.5 of the Plan, in the event a Participant's employment or other service with the Company and all Subsidiaries is terminated by reason of Retirement:

- (a) All outstanding Options then held by the Participant will, to the extent exercisable as of such termination, remain exercisable in full for a period of three (3) months after such termination (but in no event after the expiration date of any such Option). Options not exercisable as of such Retirement will be forfeited and terminate; and
- (b) All Restricted Stock Awards then held by the Participant that have not vested as of such termination will be terminated and forfeited; and
- (c) All outstanding Performance Awards then held by the Participant that have not vested as of such termination will be terminated and forfeited.

9.3. Termination for Reasons Other than Death, Disability or Retirement. Subject to Section 9.5 of the Plan, in the event a Participant's employment or other service is terminated with the Company and all Subsidiaries for any reason other than death, Disability or Retirement, or a Participant is in the employ of a Subsidiary and the Subsidiary ceases to be a Subsidiary of the Company (unless the Participant continues in the employ of the Company or another Subsidiary):

- (a) All outstanding Options then held by the Participant will, to the extent exercisable as of such termination, remain exercisable in full for a period of three (3) months after such termination (but in no event after the expiration date of any such Option). Options not exercisable as of such termination will be forfeited and terminate; and
- (b) All Restricted Stock Awards then held by the Participant that have not vested as of such termination will be terminated and forfeited; and
- (c) All outstanding Performance Awards then held by the Participant that have not vested as of such termination will be terminated and forfeited.

9.4. Modification of Rights Upon Termination. Notwithstanding the other provisions of this Section 9, the Committee may, in its sole discretion (which may be exercised in connection with the grant or after the date of grant, including following such termination), determine that upon a Participant's termination of employment or other service with the Company and all Subsidiaries, any Options (or any part thereof) then held by such Participant may become or continue

to become exercisable and/or remain exercisable following such termination of employment or service, and Restricted Stock Awards and Performance Awards then held by such Participant may vest and/or continue to vest or become free of restrictions and conditions to issuance, as the case may be, following such termination of employment or service, in each case in the manner determined by the Committee.

9.5. Effects of Actions Constituting Cause. Notwithstanding anything in the Plan to the contrary, in the event that a Participant is determined by the Committee, acting in its sole discretion, to have committed any action which would constitute Cause as defined in Section 2.3, irrespective of whether such action or the Committee's determination occurs before or after termination of such Participant's employment or service with the Company or any Subsidiary, all rights of the Participant under the Plan and any agreements evidencing an Incentive Award then held by the Participant shall terminate and be forfeited without notice of any kind. The Company may defer the exercise of any Option or the vesting of any Restricted Stock Award or Performance Award for a period of up to ninety (90) days in order for the Committee to make any determination as to the existence of Cause.

9.6. Determination of Termination of Employment or Other Service. Unless the Committee otherwise determines in its sole discretion, a Participant's employment or other service will, for purposes of the Plan, be deemed to have terminated on the date recorded on the personnel or other records of the Company or the Subsidiary for which the Participant provides employment or service, as determined by the Committee in its sole discretion based upon such records.

10. Payment of Withholding Taxes.

10.1. General Rules. The Company is entitled to (a) withhold and deduct from future wages of the Participant (or from other amounts that may be due and owing to the Participant from the Company or a Subsidiary), or make other arrangements for the collection of, all legally required amounts necessary to satisfy any and all federal, foreign, state and local withholding and employment-related tax requirements attributable to an Incentive Award, including, without limitation, the grant, exercise or vesting of, or payment of dividends with respect to, an Incentive Award or a disqualifying disposition of stock received upon exercise of an Incentive Stock Option, or (b) require the Participant promptly to remit the amount of such withholding to the Company before taking any action, including issuing any shares of Common Stock, with respect to an Incentive Award.

10.2. Special Rules. The Committee may, in its sole discretion and upon terms and conditions established by the Committee, permit or require a Participant to satisfy, in whole or in part, any withholding or employment-related tax obligation described in Section 10.1 of the Plan by electing to tender, or by attestation as to ownership of, Previously Acquired Shares that have been held for the period of time necessary to avoid a charge to the Company's earnings for financial reporting purposes and that are otherwise acceptable to the Committee, by delivery of a Broker Exercise Notice or a combination of such methods. For purposes of satisfying a Participant's withholding or employment-related tax obligation, Previously Acquired Shares tendered or covered by an attestation will be valued at their Fair Market Value.

11. Change in Control.

11.1. A "Change in Control" shall be deemed to have occurred if the event set forth in any one of the following paragraphs has occurred:

- (a) the sale, lease, exchange or other transfer, directly or indirectly, of substantially all of the assets of the Company (in one transaction or in a series of related transactions) to any Successor;
- (b) the approval by the stockholders of the Company of any plan or proposal for the liquidation or dissolution of the Company;
- (c) any Successor (as defined in Section 11.2 below), other than a Bona Fide Underwriter (as defined in Section 11.2 below), becomes after the effective date of the Plan the "beneficial owner" (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of (i) 25% or more, but not 50% or more, of the combined voting power of the Company's outstanding securities ordinarily having the right to vote at elections of directors, unless the transaction resulting in such ownership has been approved in advance by the Continuity Directors (as defined in Section 11.2 below), or (ii) more than 50% of the combined voting power of the Company's outstanding securities ordinarily having the right to vote at elections of directors (regardless of any approval by the Continuity Directors);
- (d) a merger or consolidation to which the Company is a party if the stockholders of the Company immediately prior to effective date of such merger or consolidation have "beneficial ownership" (as defined in

Rule 13d-3 under the Exchange Act), immediately following the effective date of such merger or consolidation, of securities of the surviving corporation representing (i) 50% or more, but not more than 80%, of the combined voting power of the surviving corporation's then outstanding securities ordinarily having the right to vote at elections of directors, unless such merger or consolidation has been approved in advance by the Continuity Directors, or (ii) less than 50% of the combined voting power of the surviving corporation's then outstanding securities ordinarily having the right to vote at elections of directors (regardless of any approval by the Continuity Directors); or

(e) the Continuity Directors cease for any reason to constitute at least 50% or more of the Board.

11.2. Change in Control Definitions. For purposes of this Section 11:

(a) "Continuity Directors" of the Company will mean any individuals who are members of the Board on the effective date of the Plan and any individual who subsequently becomes a member of the Board whose election, or nomination for election by the Company's stockholders, was approved by a vote of at least a majority of the Continuity Directors (either by specific vote or by approval of the Company's proxy statement in which such individual is named as a nominee for director without objection to such nomination).

(b) "Bona Fide Underwriter" means an entity engaged in business as an underwriter of securities that acquires securities of the Company through such entity's participation in good faith in a firm commitment underwriting until the expiration of 40 days after the date of such acquisition.

(c) "Successor" means any individual, corporation, partnership, group, association or other "person," as such term is used in Section 13(d) or Section 14(d) of the Exchange Act, other than the Company, any "affiliate" (as defined below) or any benefit plan(s) sponsored by the Company or any affiliate that succeeds to, or has the practical ability to control (either immediately or solely with the passage of time), the Company's business directly, by merger, consolidation or other form of business combination, or indirectly, by purchase of the Company's outstanding securities ordinarily having the right to vote at the election of directors or all or substantially all of its assets or otherwise. For this purpose, an "affiliate" is (i) any corporation at least a majority of whose outstanding securities ordinarily having the right to vote at elections of directors is owned directly or indirectly by the Company; (ii) any other form of business entity in which the Company, by virtue of a direct or indirect ownership interest, has the right to elect a majority of the members of such entity's governing body or (iii) any entity that at the time of the approval of this Plan owns in excess of 10% of the Company's common stock and its affiliates.

11.3. Acceleration of Vesting. Without limiting the authority of the Committee under Sections 3.2 and 4.3 of the Plan, if a Change in Control of the Company occurs, then, if approved by the Committee in its sole discretion either in an agreement evidencing an Incentive Award at the time of grant or at any time after the grant of an Incentive Award: (a) outstanding Options that may become immediately exercisable in full and will remain exercisable in accordance with their terms; and (b) outstanding Restricted Stock Awards and Restricted Stock Units may become immediately fully vested and non-forfeitable; and (c) any conditions to the issuance of cash or shares of Common Stock pursuant to Performance Awards may lapse.

11.4. Cash Payment. If a Change in Control of the Company occurs, then the Committee, if approved by the Committee in its sole discretion either in an agreement evidencing an Incentive Award at the time of grant or at any time after the grant of an Incentive Award, and without the consent of any Participant affected thereby, may determine that:

(a) Some or all Participants holding outstanding Options will receive, with respect to some or all of the shares of Common Stock subject to such Options ("Option Shares"), either (i) as of the effective date of any such Change in Control, cash in an amount equal to the excess of the Fair Market Value of such Option Shares on the last business day prior to the effective date of such Change in Control over the exercise price per share of such Option Shares, (ii) immediately prior to such Change of Control, a number of shares of Common Stock having an aggregate Fair Market Value equal to the excess of the Fair Market Value of the Option Shares as of the last business day prior to the effective date of such Change in Control over the exercise price per share of such Option Shares; or (iii) any combination of cash or shares of Common Stock with the amount of each component to be determined by the Committee not inconsistent with the foregoing clauses (i) and (ii), as proportionally adjusted; and

(b) any Options which, as of the effective date of any such Change in Control, are "underwater" (as defined in Section 3.2(d)) shall terminate as of the effective date of any such Change in Control; and

(c) some or all Participants holding Performance Awards will receive, with respect to some or all of the shares of Common Stock subject to such Performance Awards that remain subject to issuance based upon the future achievement of Performance Criteria or other future event as of the effective date of any such Change in Control of the Company, cash in an amount equal the Fair Market Value of such shares immediately prior to the effective date of such Change in Control.

11.5. Limitation on Change in Control Payments. Notwithstanding anything in Section 11.3 or 11.4 of the Plan to the contrary, if, with respect to a Participant, the acceleration of the exercisability of an Option as provided in Section 11.3 or the payment of cash or shares of Common Stock in exchange for all or part of an Option as provided in Section 11.4 (which acceleration or payment could be deemed a “payment” within the meaning of Section 280G(b)(2) of the Code), together with any other “payments” that such Participant has the right to receive from the Company or any corporation that is a member of an “affiliated group” (as defined in Section 1504(a) of the Code without regard to Section 1504(b) of the Code) of which the Company is a member, would constitute a “parachute payment” (as defined in Section 280G(b)(2) of the Code), then the “payments” to such Participant pursuant to Section 11.3 or 11.4 of the Plan will be reduced to the largest amount as will result in no portion of such “payments” being subject to the excise tax imposed by Section 4999 of the Code; provided, however, that if a Participant is subject to a separate agreement with the Company or a Subsidiary which specifically provides that payments attributable to one or more forms of employee stock incentives or to payments made in lieu of employee stock incentives will not reduce any other payments under such agreement, even if it would constitute an excess parachute payment, or provides that the Participant will have the discretion to determine which payments will be reduced in order to avoid an excess parachute payment, then the limitations of this Section 11.4 will, to that extent, not apply.

12. Rights of Eligible Recipients and Participants; Transferability.

12.1. Employment or Service. Nothing in the Plan will interfere with or limit in any way the right of the Company or any Subsidiary to terminate the employment or service of any Eligible Recipient or Participant at any time, nor confer upon any Eligible Recipient or Participant any right to continue in the employ or service of the Company or any Subsidiary.

12.2. Rights as a Stockholder. As a holder of Incentive Awards (other than Restricted Stock Awards), a Participant will have no rights as a stockholder unless and until such Incentive Awards are exercised for, or paid in the form of, shares of Common Stock and the Participant becomes the holder of record of such shares. Except as otherwise provided in the Plan, no adjustment will be made for dividends or distributions with respect to such Incentive Awards as to which there is a record date preceding the date the Participant becomes the holder of record of such shares, except as the Committee may determine in its discretion.

12.3. Restrictions on Transfer.

(a) Except pursuant to testamentary will or the laws of descent and distribution or as otherwise expressly permitted by subsections (b) and (c) below, no right or interest of any Participant in an Incentive Award prior to the exercise (in the case of Options) or vesting (in the case of Restricted Stock Awards) or settlement (in the case of Restricted Stock Units or Performance Awards) of such Incentive Award will be assignable or transferable, or subjected to any lien, during the lifetime of the Participant, either voluntarily or involuntarily, directly or indirectly, by operation of law or otherwise.

(b) A Participant will be entitled to designate a beneficiary to receive an Incentive Award upon such Participant’s death, and in the event of such Participant’s death, payment of any amounts due under the Plan will be made to, and exercise of any Options (to the extent permitted pursuant to Section 9 of the Plan) may be made by, such beneficiary. If a deceased Participant has failed to designate a beneficiary, or if a beneficiary designated by the Participant fails to survive the Participant, payment of any amounts due under the Plan will be made to, and exercise of any Options (to the extent permitted pursuant to Section 9 of the Plan) may be made by, the Participant’s legal representatives, heirs and legatees. If a deceased Participant has designated a beneficiary and such beneficiary survives the Participant but dies before complete payment of all amounts due under the Plan or exercise of all exercisable Options, then such payments will be made to, and the exercise of such Options may be made by, the legal representatives, heirs and legatees of the beneficiary.

(c) Upon a Participant’s request, the Committee may, in its sole discretion, permit a transfer of all or a portion of a Non-Statutory Stock Option, other than for value, to such Participant’s child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law,

son-in-law, daughter-in-law, brother-in-law, or sister-in-law, any person sharing such Participant's household (other than a tenant or employee), a trust in which any of the foregoing have more than fifty percent of the beneficial interests, a foundation in which any of the foregoing (or the Participant) control the management of assets, and any other entity in which these persons (or the Participant) own more than fifty percent of the voting interests. Any permitted transferee will remain subject to all the terms and conditions applicable to the Participant prior to the transfer. A permitted transfer may be conditioned upon such requirements as the Committee may, in its sole discretion, determine, including, but not limited to execution and/or delivery of appropriate acknowledgements, opinion of counsel, or other documents by the transferee.

12.4. Non-Exclusivity of the Plan. Nothing contained in the Plan is intended to modify or rescind any previously approved compensation plans or programs of the Company or create any limitations on the power or authority of the Board to adopt such additional or other compensation arrangements as the Board may deem necessary or desirable.

13. Securities Law and Other Restrictions.

Notwithstanding any other provision of the Plan or any agreements entered into pursuant to the Plan, the Company will not be required to issue any shares of Common Stock under this Plan, and a Participant may not sell, assign, transfer or otherwise dispose of shares of Common Stock issued pursuant to Incentive Awards granted under the Plan, unless (a) there is in effect with respect to such shares a registration statement under the Securities Act and any applicable securities laws of a state or foreign jurisdiction or an exemption from such registration under the Securities Act and applicable state or foreign securities laws, and (b) there has been obtained any other consent, approval or permit from any other U.S. or foreign regulatory body which the Committee, in its sole discretion, deems necessary or advisable. The Company may condition such issuance, sale or transfer upon the receipt of any representations or agreements from the parties involved, and the placement of any legends on certificates representing shares of Common Stock, as may be deemed necessary or advisable by the Company in order to comply with such securities law or other restrictions.

14. Plan Amendment, Modification and Termination.

The Board may suspend or terminate the Plan or any portion thereof at any time, and may amend the Plan from time to time in such respects as the Board may deem advisable in order that Incentive Awards under the Plan will conform to any change in applicable laws or regulations or in any other respect the Board may deem to be in the best interests of the Company; provided, however, that no such amendments to the Plan will be effective without approval of the Company's stockholders if: (i) stockholder approval of the amendment is then required pursuant to Section 422 of the Code or the rules of any stock exchange or the NASDAQ Stock Market or similar regulatory body; or (ii) such amendment seeks to modify Section 3.2(d) hereof. No termination, suspension or amendment of the Plan may adversely affect any outstanding Incentive Award without the consent of the affected Participant; provided, however, that this sentence will not impair the right of the Committee to take whatever action it deems appropriate under Sections 3.2(c), 4.3 and 11 of the Plan.

15. Effective Date and Duration of the Plan.

The Plan is effective as of the Effective Date. The Plan will terminate at midnight on May 8, 2027 and may be terminated prior to such time by Board action. No Incentive Award will be granted after termination of the Plan. Incentive Awards outstanding upon termination of the Plan may continue to be exercised, or become free of restrictions, according to their terms.

16. Miscellaneous.

16.1. Governing Law. Except to the extent expressly provided herein or in connection with other matters of corporate governance and authority (all of which shall be governed by the laws of the Company's jurisdiction of incorporation), the validity, construction, interpretation, administration and effect of the Plan and any rules, regulations and actions relating to the Plan will be governed by and construed exclusively in accordance with the laws of the State of Delaware notwithstanding the conflicts of laws principles of any jurisdictions.

16.2. Successors and Assigns. The Plan will be binding upon and inure to the benefit of the successors and permitted assigns of the Company and the Participants.
